"High school football is not about wins and losses, but about how you conduct yourself on and off the field. I thought our guys gave great effort throughout the entire season. There were many opportunities for them to fold under the table, but they fought through adversity and a rough schedule to build on their character."

"I'll remember this cross country season as not only my first and final year, but also as a year never to forget. # Cross Country

Josie Heeren

"State cross country is always a fun time. But I am always too nervous to have any fun! I am very thankful for my coach, teammates and my parents for supporting me at the meet this year. I can't wait for next year!"

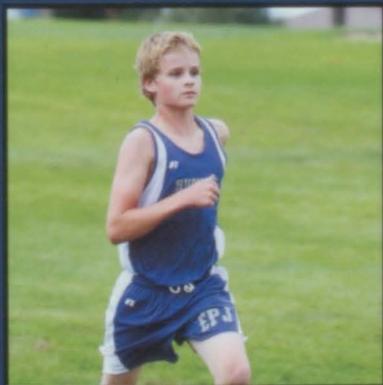

Hunter Paulsen

"State cross country this year was an experience that I will never forget. I felt that State this year went very well for me. My goal from day one was to place top ten and I achieved that goal. Truly an experience that will be with me forever."

State Qualifiers

"This season we had 17 runners out for cross country. In my first year as head coach, I felt blessed to have a great group of kids that came to work every day and competed to make themselves, and the team, better. We ended the season with two runners (Hunter Paulsen & Josie Heeren) qualifying for the state meet in Rapid City on October 26th, 2013. I was a great year, but I am sad to see the season end. I believe the Huskies have some great athletes coming back and look forward to the improvements we can make to have another successful season next year."

The girls had a great season. We ended our regular season with a solid win against Vermillion and ended our post season in the Region Championship match. Congratulations to Keely for breaking our school record for aces in a single season. I was pleased with the hard work and perseverance the girls showed in practice and games. I couldn't have asked for a better group to begin my career at EPJ.

## "Whatever It Takes!"

"We had a fun season. This team was a group of guys that came to practice everyday with a GREAT attitude. We worked hard, had some fun, and improved a ton over the course of the season. We had a bunch of close games and I'm sure that as we look back on them, we will wish we had won a few more of them. We played the game the right way though. We talked about Working Hard, Working Smart, Working Consistent, and Working Together all season long and I thought we did those things."

The season overall has been a success. The guys worked very hard to improve throughout the year and saw their dedication pay off at the Region 2B meet when they qualified eight wrestlers for the State tournament and finished 3rd place as a team. The team will lose two seniors that have had great careers, Alex McLaury and CJ Geary, but will also keep a number of successful underclassman for next year's season.

"It was an up and down year for us. We were hindered by our challenging schedule as many of the teams we played have the top lineups in the state. Nevertheless, we had some top moments in 2013. Senior Jarod Mau took top medalist honors at the Quad in Beresford and did so with a hole-in-one! Brandon Koupal shot an excellent score at Regions and just missed the cut for State by one stroke. Our final awards had Jarod being the MVP, Matt Ambrose the JV MVP and Connor Henze had the distinction of winning the Most Improved Player commendation. We will be looking forward to next year as Brandon and Connor will lead us toward good fortunes in the 2014 season."

"One of the aspects of our year in Jazz Band that I am most proud of is the growth in musicianship that the group has shown. We have several students who perform on secondary instruments to what they play for concert band, as well. The group as a whole has become a much better ensemble and a much better group of players as individuals."

# Family is Forever!

Emma and I would find baby bunnies in our yard when we were little. Emma and I quickly rescued the bunnies every spring from our dog and brought them into our play house. We would give them milk through an eye dropper and feed them little bits of carrot. One day, Emma and I headed out to check on our bunnies, when we got there the bunnies were missing! I told Emma and she got really upset. I went to dump the hay out of the box a bunny hit the ground. We found the bunnies! But, eventually the bunnies ran away. - Sammi M.

When Blake and I were about 5 years old we had a large dresser/closet. We used to take out all the clothes and throw them on the floor. We would then sit inside on the shelves and closed the doors. When we would get in trouble for it, we were put into separate rooms of the house and we talked to each other through the vent. - Bryce T.
