"We ended our regular season with a victory over Vermillion to give us a 14-13 record. Our loss to Tea Area in regions ended our post season play. Amber Hanson, Miranda Stabe, & Allison Targonski were named to All-Conference team and Hanson, Stabe, Targonski, & Drew Keuck were named to the All-Region team this year as well. The determination and heart that these girls played with all season made them exciting to watch. I will miss my seniors next year but am looking forward to a new group of girls and the potential they possess."

"This season was a building year. We didn't have very many seniors, so a lot of young talent was playing from the start of the season. We lost two heartbreaking games early in the season against Tri-Valley and Dakota Valley, but the kids kept working hard all season long. The win against Beresford was a great game, and it is always good for the Dog Bowl Trophy to be back home. The kids worked hard all season long. The Huskies had one of the toughest schedules in all of 11B. Finishing 4th in our region is a big step forward into the direction we want to be heading."

London was such an amazing experience. I was so honored when I found out I was All American and could go to London. I had a lot of fun doing fundraisers and learning the routine that I needed there. My favorite part would have to be Windsor Palace. It was gorgeous and really educational.

"The 2014 cross country season has been a great one. A few early injuries slowed a few runners down, but by the end of the season we were at full strength and everyone was running near or better than their personal best.

As a result, the team saw a lot of success, the girls placed top 5 in 5 meets this year and took second at the Woodbury Invite and the Union Quad. The blend of experienced runners along with some new faces have really added to the overall talent of our girls program. The boys also took top 5 in 5 meets. The boys team this year has really improved time wise and as overall runners.

The competition has shown in our meets as runners continually broke individual personal records. Hunter Paulsen led the way winning all but two meets this year for the Huskies. Josie Heeren also placed in the top 10 in 4 races this year. I have seen great growth out of our runners this year. Josie and Hunter were the only two runners to qualify for state this year, but we had multiple runners just on the edge of qualifying. I am looking forward for a successful state meet and for our athletes to grow and look forward to a great rest of the year."

"The season was a success. As a team, the huskies placed 8th at the State meet. The state qualifiers were Dylan Colt (5th place), Kyle Fowler (2nd place), Jared Hueser (4th place) Cody Davis, Lukas Forsling (3rd place) and Andrew Teply. We also went on a trip to Fargo for the "Rumble on the Red" tournament. The tournament draws a highly competitive group of wrestlers from all over the midwest with brackets of up to 64 wrestlers. It really seemed to be an enjoyable experience. Several wrestlers picked up wins in the tournament and two wrestlers placed in the varsity division, Lukas Forsling 2nd place and Jared Hueser 8th place. The team went 12-3 in duals this year and had several all-conference performers as well."

"From day 1 of practice this year to the last day of the season, this group of athletes progressed more as a team and as individual players than any group I have ever coached. It was very rewarding to watch that growth and have a group of young ladies believe in each other and accomplish more than even the high goals they set for themselves at the start of the year. I am very proud of this team and truly honored to have had the chance to coach them!"

State Qualifiers:

State golf was fun. I really enjoyed golfing in the hills instead of on the flat plains. If I could change anything about state golf, I would've won. - Brandon K.

The weather was nice except on Monday with the wind. I plan to practice more to prepare for next year. - Connor H.

My experience at state golf was awesome. I got 90th place. I wouldn't have changed anything about our trip. - Easton K.

"The boy's golf season was a quick season, but we played a lot of golf! Brandon Koupal placed in 8 out of the 11 meets and Connor Henze won a duel we had with Dakota Valley! At the end of the year, we sent 5 boys to regions and 3 qualified for state! It was the first time in many years that we had qualified three boys for state and I believe we will get even more in next year. The future is bright for the EP-J golf program!" - Coach K

"The actors in this year's one act play were the most prepared group I have ever worked with. I was so impressed with how quickly this show came together. They all worked really hard and I didn't have to get after anyone for not knowing their lines. It was a really fun cast to work with and they all did a great job developing their characters. This made my job so much easier, because we could spend time working on the little things, since they all had already figured out the basics!" - Director: Kirsten Colt

They had to put in hours outside of their other extra-curriculars, and sometimes even had to come in on weekends.
