All concerns or questions regarding the handbook should be directed to the Executive Director Amy Berfield at (323) 508-0155. *The Executive Director of New Heights Charter School reserves the right to amend any part of this handbook at her discretion.*

B. VISION

The vision of New Heights Charter School is to prepare students in grades K-8 to use their minds well and become capable, caring citizens. Students learn academic knowledge and skills in a personalized learning environment that promotes health, creativity, and understanding of the big ideas that shape our world.

New Heights promotes rigorous study within a caring, civic-minded community. Through active inquiry, in-depth learning, New Heights will support students to develop the following competencies:

- The ability to read, write, speak, calculate, experiment, and reason with clarity and precision and to creatively express oneself through the arts.
- The ability to participate thoughtfully and responsibly with concern for the common good.

The School's primary purpose is to enhance equity in educational opportunity. New Heights increases learning opportunities for all students, engages parents as essential partners, and has expanded professional development opportunities for teachers. We support students' academic achievement as well as their ability to become self-motivated, competent, lifelong learners. Our educational philosophy is based on an understanding of how to enhance student motivation to learn and how to organize learning to promote understanding.

INTRINSIC MOTIVATION: New Heights recognizes that children's academic, ethical, social, and emotional development is inter-related and interdependent. Students who feel connected to their school tend to have higher academic motivation and perform better academically, while being more unlikely to engage in problem behaviors.

STUDENT UNDERSTANDING: New Heights prepares students to transfer what they learn in school to their lives outside of school. Teachers have clearly defined learning goals for students, focus on the "big ideas" of a subject, design effective assessments of student understanding, and create engaging learning activities. Students will demonstrate their learning through a Portfolio and through Exhibitions of Mastery – public performances for parents and community.

New Heights offers a positive alternative to students and their families. The school's goal is to provide a strong foundation to students in their early years, so they can excel in the middle grades, and be fully prepared for the demands of high school and college.

C. WHAT IS A CHARTER SCHOOL?

The State of California established charter school legislation with the intent of giving public schools more autonomy in exchange for increased student achievement. A charter school is a public school that was approved by the its local district, county, or by the state to operate within California through the submission of a charter.

The charter petition describes the school's goals, governance structure, insurance requirements, employee benefits, and almost every area related to the school's functioning.

Autonomy

New Heights is authorized by the Los Angeles Unified School District ("LAUSD"), but operates as an independent charter school.

Accountability

The state of California and LAUSD are responsible for holding New Heights Charter School accountable for

meeting the goals outlined in New Heights' charter. These goals include increasing test scores and maintaining an effective learning environment. If the School does not meet these goals, the LAUSD may elect not to renew the School's charter.

D. ADMISSION POLICY

New Heights is an open enrollment, tuition-free public school with no specific requirements for admission. Enrollment to the Charter School shall be open to any resident of the State of California. . If the number of students who wish to attend New Heights exceeds the number of openings, entrance shall be determined by single random public drawing in accordance with Education Code §47605(d)(2).

E. WITHDRAWAL

If a parent or guardian wishes to withdraw or transfer a student, New Heights asks for parents or guardians to notify the Executive Director in writing at least five (5) days in advance of this transfer. In some cases, the Executive Director may want to meet with the parents or guardians to discuss the withdraw or transfer.

In addition, the Board provides oversight and support to ensure the School meets its educational goals for all students.

When students are physically and mentally healthy, they are ready and able to learn. **Our goal is to help children enjoy eating, understand the importance of food for energy and health, and cultivate respect for various cultures' eating traditions.**

Food Program

The breakfast, lunch, and snack provided to students each day is healthy, fresh, and in compliance with current national food guidelines.

Food/Nutrition

It is very important that your children eat a well-balanced diet. Please make an effort to feed your children nutritious foods every day in the proper portion sizes for their size. We encourage all celebrations to occur at the end of the school day.

Health and Medical Conditions

The School office must be notified if a student with a medical or health condition requires accommodations in order to participate in the educational program. The School office will arrange to meet with the parents to develop an accommodation plan for the students' medical condition. Students with diabetes, severe asthma, and severe allergies should have an accommodation plan at the school.

Students may not carry or use medication on campus without written consent. A student who needs to take medication during school hours must have a statement to this effect on file at the School, signed by the prescribing physician and the parent/guardian. Self-administration of medications may be permissible by special arrangement with the school office. School personnel do not prescribe or give advice regarding any kind of medication. All school visitors, including parents, must sign in and wear a badge. All visitors, including parents, must sign-out and return the identification badge before leaving the School.

Volunteering in the Classroom (NOT IN EFFECT DURING COVID-19)

Parents are encouraged to support New Heights through spending volunteer time in classrooms. Each class has set-up their own system for working with parent volunteers in the classroom. Please refer to your teacher's policy.

Make sure to have a current TB test on file if you plan on regularly volunteering.

Resolving Problems/General Complaint Policy

It is our sincere belief that the large majority of misunderstandings and problems can be resolved through discussion between the parent/guardian or student and the teacher and/or other appropriate school personnel. The guidelines below are designed to provide a "step-by-step" procedure for stakeholders when they are attempting to resolve a misunderstanding or problem.

Stakeholders should make every effort to gather accurate facts before contacting the school. Any problem/concern/complaint should be brought to the attention of the teacher or staff member most closely related to the problem. If the concern is not resolved satisfactorily after meeting or talking with the teacher or staff member, stakeholders are encouraged to use the steps detailed below:

1. Contact the Executive Director (“ED”) of the school and ask her to establish a conference with the appropriate person at a mutually agreeable time. This can be done through a phone call, email, or text.
2. Participate in a conference with the Executive Director. (The ED may choose to include the Student and Family Support Coordinator in this meeting in order to increase the likelihood of resolution.)
3. If stakeholders have exhausted all possibilities at the school level without resolution and the complaint falls within the scope of the Uniform Complaint process, the Director of Operations will support the stakeholder to complete the school’s Uniform Complaint form and follow the Uniform Complaint procedures (see Uniform Complaint form in your enrollment packet.)
4. If the stakeholder is not interested in completing the form or if the complaint does not fall within the scope of the Uniform Complaint process, the Director of Operations or the Executive Director will help coordinate a meeting / phone conversation/ email exchange with a member of the School’s Board of Directors. Board Member contact information, including email and phone number, are also available on the School’s website. The Executive Director / Director of Operations will work to ensure timely response of the Board Member to the stakeholder.

We are pleased that most concerns are satisfactorily resolved at step one. The other steps are provided for you as additional means of resolving your problems or concerns. Misunderstandings and problems will more likely be resolved if they are approached in a positive and courteous manner with recommendations that are realistic.

Your school staff is here to do the best job possible with your child. We can provide many educational opportunities, but it is done best when we work together as parents and teachers.

If the student brings and uses an electronic device on campus for a second time, the school staff will hold the item until the last day of school and then return it to the parent.

- **Toys or Sports Equipment**

Students are not allowed to bring toys (or distractions of any kind) or sports equipment to school, unless they are given permission by their teacher or school counselor. If a student brings toys (or distractions of any kind) or sports equipment to school and uses them on school campus, the supervising adult will take the item and return it to the parent at the end of the day. If the student brings and uses toys (or distractions of any kind) or sports equipment on campus for a second time, the school staff will hold the items until the last day of school and then return them to the parent.

- **School Supplies, Pencil Boxes, Backpacks, Purses**

Students should not bring any school supplies from home, since New Heights provides all the materials needed to be successful in class. Students may bring backpacks and purses to school, but they will be placed in a container or closet for the day so as not to provide a distraction for students. (Individual teachers may provide a list of necessary items for special class projects or grade-level specific use.)

The school is not responsible for items brought to school.

No pets on campus.

No pets are allowed on the school campus, unless a service animal is required as part of a student's Section 504 plan or Individualized Education Program ("IEP").

Behavior Notices and Follow-up Actions

If a student violates any of the School policies (including but not limited to: dress code, absence, tardiness, homework, safety of self and others, and respect of property), they may be disciplined by loss of privileges, time out in the classroom, time out in another classroom or the office, or other means determined by the teacher. If the behavior problem is significant or a particular behavior is repeated more than three (3) times, the teacher will complete a Behavior Notice. This form will outline the problem behavior, the actions the teacher took, and the required follow-up step for parents. A Behavior Notice may be completed at the discretion of the teacher or adult working with the child.

Depending upon the specific circumstances surrounding the student's behavior, a student may remain in the office or another classroom to "take a break," and an appropriate consequence will be devised. Depending on the violation, a student's parent or guardian might be contacted to immediately pick up the child and the student will remain in the office until he/she is picked up.

After the third Behavior Notice (or any single significant incident) the following action will be taken:

- The parent/guardian will be contacted and informed of the child's violation(s).
- **The parent will be required to attend a Problem-Solving Conference at the school and to observe the child in his/her classroom(s) for at least one hour. This conference will need to be scheduled within 24 hours for a significant incident and within three (3) days for a recurring incident.** At the conference, a plan of action will be devised with the student, teacher(s), administrator, and parent to improve the child's behavior.
- If the child is referred again after the above interventions, a suspension may result.
- A student may be suspended for any single incident of unsafe or violent behavior in compliance with the School's suspension and expulsion policy.

Classroom Formal Observation Time (Suspended during COVID-19 pandemic)

The student's parent or guardian may be required to come to school and to sit with the student in his or her classroom(s) and through school activities. The observation must be for at least one (1) hour and perhaps more, depending on the violation.

Suspension and Expulsion

Any student who engages in repeated violations of the School's Code of Conduct and behavioral expectations will be required to attend a meeting with school staff and the student's parent or guardian. The School and parent will collaboratively prepare a specific, written intervention plan outlining future student conduct expectations, timelines, and consequences for failure to meet the expectations which may include, but are not limited to, suspension or expulsion.

New Heights Charter School is exempt from Education Code requirements and procedures related to student suspension and expulsion. Therefore, references in this charter to the Education Code are used as a guideline. A student may be suspended or expelled for any of the acts enumerated in Education Code § 48900 except for willful defiance, as related to school activity or school attendance that occurs at any time including, but not limited to:

- While on school grounds
- While going to or leaving from school
- During, or traveling to or from, a school-sponsored activity

The Executive Director bears primary responsibility for overseeing all student discipline and has the authority to suspend students.

Mandatory Expulsion/Suspension:

It is a federal mandate that a school expel, for a period of not less than one year (except on a case-by-case basis), any student who is determined to have brought a firearm to school.

The Executive Director shall immediately suspend (out of school) and recommend a student's expulsion if he or she determines that the student committed any of the following acts at school or at a school activity off school grounds:

1. Possessing, selling, or furnishing a firearm.
2. Brandishing a knife at another person.
3. Unlawfully selling a controlled substance.
4. Committing or attempting to commit a sexual assault or committing a sexual battery.
5. Possession of an explosive.

Note: Pursuant to E.C. Section 48915 (g), "knife" means any dirk, dagger, or other weapon with a fixed sharpened blade fitted primarily for stabbing; a weapon with a blade fitted primarily for stabbing; a weapon with a blade longer than 3½ inches; a folding knife with a blade that locks into place; or a razor with an unguarded blade.

Offenses Subject to Limited Executive Director Discretion:

The Executive Director shall recommend a student's expulsion if he or she determines that the student committed one or more of the following acts at school or at a school activity off school grounds unless the Executive Director also determines that expulsion is inappropriate:

1. Causing serious physical injury to another person, except in self-defense.
2. Possession of a knife or other dangerous object of no reasonable use to the pupil.
3. Unlawful possession of any controlled substance, except for either of the following:
 - a. The first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis.
 - b. The possession of over-the-counter medication for use by the student for medical purposes or medication prescribed for the student by a physician.
4. Robbery or extortion.
5. Assault or battery upon any school employee. Note: A serious physical injury includes, but is not limited to: "loss of consciousness, concussion, bone fracture, protracted loss or impairment of function of any bodily member or organ, wound requiring extensive suturing, and serious disfigurement." (California Penal Code Section 243)

Offenses Subject to Broad Executive Director Discretion:

The Executive Director has maximum discretion to recommend or not recommend expulsion when he or she determines that a student has committed any of the following offenses at any time, including, but not limited to, while on school grounds; while going to or coming from school; during the lunch period whether on or off campus; and during, or while going to or coming from, a school-sponsored activity.

1. Caused, attempted to cause, or threatened to cause physical injury to another person.
2. Willfully used force or violence upon the person of another, except in self-defense.
3. Possessed not more than one ounce of marijuana (applicable to the first offense only) or possessed alcohol.
4. Offered, arranged, or negotiated to sell any controlled substance, alcoholic beverage, or an intoxicant of any kind, and then either sold, delivered, or otherwise furnished to any person another liquid, substance, or material represented as a controlled substance, alcoholic beverage, or intoxicant.
5. Caused or attempted to cause damage to school or private property.
6. Stole or attempted to steal school property or private property.
7. Possessed or used tobacco or any tobacco products.
8. Committed an obscene act or engaged in habitual profanity or vulgarity.
9. Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell any drug paraphernalia.
10. Disrupted school activities (school-wide activities; issued only by an administrator).
11. Knowingly received stolen school or private property.
12. Possessed an imitation firearm. "Imitation firearm" means a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude it is a firearm.
13. Harassed, threatened, or intimidated a pupil who is a complaining witness or witness in a school disciplinary proceeding.
14. Committed sexual harassment (applicable to grades 4 through 8 only).
15. Caused, attempted to cause, threatened to cause, or participated in an act of hate violence (applicable to grades 4 through 8 only).
16. Intentionally engaged in harassment, threats, or intimidation against school district personnel or pupils (applicable to grades 4 through 8 only).
17. Made terroristic threats against school officials or school property, or both.
18. Offered, arranged to sell, negotiated to sell, or sold the prescription drug Soma.
19. Engaged in, or attempted to engage in, hazing.
20. Engaged in an act of bullying, including, but not limited to, bullying committed by means of an electronic act.

Students who present an immediate threat to the health and/or safety of others or themselves may also be immediately suspended and later expelled by the school's governing board upon recommendation of the Executive Director. The policy of New Heights will provide all students with an opportunity for due process and

will be developed to conform to applicable federal law regarding students with exceptional needs. Please see the *Charter Petition* for detailed information regarding the school’s suspension and expulsion procedures which is located on the School’s website.

L. STUDENT ATTENDANCE

Absence/Tardy Policy

Absences: Our goal is for students to miss as few school days as possible to ensure they can master all the content of their grade level. Each time you know your child will be absent, you must do the following:

1. **Same Day:** A parent or guardian must notify the school the same day of the absence by telephone, letter, fax, e-mail, or in person by 8:00 am.
2. **Next Day:** Bring a note to the office (not to teachers) from a doctor or medical facility, court documents, or use the school’s Absent Card. (Cards are available through the school office.)

Excused absences are absences where a student is too ill to report to school or has either a medical, legal, dental appointment or a death in the family. All other absences are **unexcused**. If the school is not notified and the student does not report to school the next day with a note, the absence will be considered unexcused.

Chronic Absence: Given how important school attendance is for students’ social, emotional and academic growth, our schoolwide plan includes a goal to reduce the number of students who are chronically absent from school each year. **If a child is absent for 10% of school (excused and unexcused absences count equally), we require a conference between parent, student, and administration to devise an action plan for ensuring the child does not fall behind.** Consequences for absences and tardies are detailed below.

Number of Absences	School Actions	Legal Consequence
First and Second Absence	Teacher contacts home	None
Third Absence (within the first 30 days of school)	Letter sent to parents to attend a meeting at school	First Notification of Truancy: Student is Truant

<p>Students are at-risk for chronic attendance problems if any of the following occur:</p> <p>Missing 10% of school: 4 days out of 40, 5 days out of 50, 6 days out of 60, etc.</p> <p>or</p> <p>5 or more unexcused tardies over 30 minutes</p> <p>or</p> <p>Failure to comply with the intervention plan/contract</p>	<p>Mandatory Attendance Meeting</p>	<p>California law imposes penalties which get progressively severe and could result in fines- In danger of becoming labelled Chronically Truant</p>
<p>Eighteen or more Absences</p>	<p>Mandatory Attendance Meeting referred to authorities</p>	<p>Chronically Truant</p>

Tardy Policy: All students are expected to arrive at school on time and stay until the end of the school day. A student is considered tardy if he or she is more than 10 minutes late to class. Students must sign-in on the Tardy Report in the office before going to their classroom if they arrive more than 10 minutes late. Tardiness is only excused if a student has a medical, dental, legal appointment or there has been a death in the family. All tardies require appropriate documentation (see above.) In order to eat breakfast and not be tardy for class, students should arrive at least 25 minutes prior to the start of school for breakfast. **Meetings will be required if students are tardy more than 5 times.**

Excused Absences

Excused absences are absences where a student is (1) too ill to report to school; or (2) quarantined under the direction of a county or city health officer; (3) has either a medical, legal, dental, optometric, or chiropractic appointment; (4) attendance at funeral services for a member of the immediate family; or (5) participation in religious instruction or exercises in accordance with School policy. All absences require appropriate documentation: a note from home, a note from a doctor or medical facility, court documents, or an **absent card** (each parent will receive an absent card in August prior to the start of school year and can obtain additional cards in either of the two from the school office). All absent notes must be brought to the School office, not given to teachers. If appropriate documentation is not provided, the absence will be considered unexcused (see below).

A parent or guardian must notify the school the same day of absence by telephone, letter, fax, e-mail, or in person. Please do your best to inform of us an absence by 8:00 a.m. If the school is not notified and the student does not report to school the next day with a note, the absence will be considered unexcused (see below). **If a child is absent 10% of the time, the school will require a conference** between parent, student, and administration to devise an action plan for ensuring the child does not fall behind **and improves attendance.**

The School office should be informed promptly if your child has a communicable disease (**including lice**) so that we can notify other parents, if necessary.

Unexcused Absences and Tardies

There will be a limit to the number of unexcused absences and tardies allowed. Consequences for unexcused absences and tardies are detailed below. A student is chronically absent from school when he or she has missed 10 percent or more of the days he or she has been enrolled in school. Thus, in a 180-day school year, a student who misses 18 days of school or more is chronically absent.

Chronic absenteeism can have a drastic impact on your child's education. Children chronically absent in kindergarten and first grade are much less likely to learn to read by the end of third grade. By sixth grade, chronic absence is a proven early warning sign of drop-out. By ninth grade, good attendance can predict graduation even better than eighth-grade test scores. Clearly, going to school regularly matters.

If a student is late to school by 30 minutes or more on three (3) occasions, the student is considered **Truant**.

M. SCHOOL DRESS CODE

The New Heights Charter School dress code is an important part of our school identity and school culture. When students are outside of the school facility they can be easily recognized by all school community members. The New Heights Charter School dress code is determined each year. Please refer to dress code information distributed at enrollment or orientation sessions and is available online and in the school office.

All clothing items are to be made of plain material and **are not to have any words or decorations other than the optional school logo**. The dress code must be worn throughout the school day. Students are to enter and leave the school in appropriate clothing. Changing clothes at school, unless for a school sponsored activity, is not allowed. **No hats, hoods, leggings/tight pants, or jeans.**

All students must follow the school dress code.

TOPS: Shirts: White or grey polo shirt, any New Heights T-Shirt, or solid orange or green T-shirt, blue/grey vest or sweater. (No shirts with any writing or image on them.) Upper Campus only: Same as above with the addition of a white button-down shirt and black polo shirt.

Reminders:

- Clothes must be clean and washed when students enter campus.
- **COLD WEATHER:** Students should wear New Heights' grey or navy sweaters or vests if they are cold in class or they can wear long sleeve shirts under their T-shirt and polos.

More than Five (5)	A formal conference takes place between student, parent, teacher, and school staff.

DRESS CODE SUPPORT FOR PARENTS: Parents can choose to buy grey pants, grey skorts, grey shorts, sweat pants, and polos from any vendor, however, parents may want to access: www.FaithUniforms.com to order clothing.

N. HOMEWORK

At New Heights Charter School we believe that homework should be minimal to allow students to engage in other non-academic activities afterschool. However, targeted homework is an important opportunity for students to practice skills they have been taught during school. The more confident and comfortable students are with their skills, the more they can contribute and progress with their learning. Homework is also viewed as a bridge between home and school, giving students an opportunity to share their work with and involve family members.

Parents are responsible for monitoring homework assignments. Depending on their grade level, students may be assigned homework three (3) - five (5) days per week.

Each child should attempt to complete homework independently, but may need assistance. If your child needs assistance, please do not do his or her homework for him/her. As a parent, guide your child in doing the best that he or she can, allowing them to do their own work. Homework will generally require 15-30 minutes to complete in primary grades and may require as much as two (2) hours by the time your child has reached 6th grade. We expect students to share with their parents what they are learning. From time to time, parents will be asked to respond to student assignments in written form.

When homework is not completed, consequences will be enforced as outlined below. Incomplete homework is excused only with appropriate documentation from a parent or a caregiver, indicating that illness or other circumstances prevented the student from completing his/her homework. If a child is struggling to complete homework because of the difficulty of the work, please contact your child's teacher to schedule a conference.

# of Unexcused Assignments	Consequences (for Grades 1 and higher)

One - Four	<ul style="list-style-type: none"> • Student will give time to complete homework during the day, after school or before school based on teacher discretion. • Parent will be notified.
Five – Nine	<ul style="list-style-type: none"> • Student will give time to complete homework during the day, after school or before school based on teacher discretion. • Parent will be notified. • Parent and student must attend a conference with the teacher to problem-solve.
Ten+	<ul style="list-style-type: none"> • Student is required to complete homework/missing classwork after school or before school based on teacher discretion. • Parent and Student must attend a conference with the teacher to set-up a Homework Contract for the rest of the school year.

O. PARENT/GUARDIAN’S ROLE AT NEW HEIGHTS CHARTER SCHOOL

Parent involvement is valuable to increase the School’s understanding of each student, connect student’s learning to home culture, and provide an authentic audience for student’s work. Parents will be kept informed of their child’s progress through regular classroom and principal communications.

To best support your child, the staff and teachers at New Heights expect your participation at the fall and spring Parent-Teacher Conference and our optional Family Events scheduled throughout the year. Also, staff and teachers may request your attendance at a meeting to discuss strategies. Your presence at these meetings is essential to ensuring student progress. *Parents and staff are expected to talk with each other in respectful tones at all times.*

Parents/guardians are responsible for ensuring that the student completes and submits his/her homework on time and turns it in to the teacher.

Homework is assigned to reinforce lessons taught during the school day. Students will either receive a weekly homework schedule or will be responsible for recording their own homework assignments. Homework will generally require 15-30 minutes to complete in primary grades and may require as much as two hours by the time your child has reached 6th grade.

Parents/guardians are responsible for participating in activities at home.

Teachers will assign *activities designed for you to complete with your child at home*. Activities include short conversations, interviews, and conversations with your child.

Parents/guardians have the proper supplies at home to help your student complete their homework, such as:

- a. sharpened pencils
- b. glue/tape
- c. c h i l d r e n ’ s
scissors
- d. calculator
- e. ruler
- f. notebook paper
- g. dictionary

Parents/guardians ensure their child is ready to learn

Ensure your child arrives to school on time each day, in uniform, and ready to learn. Help us support and reinforce the school’s Code of Conduct.

Parents/guardians monitor exposure to TV, movies, and music to avoid exposure to violence and inappropriate language.

In order for our students to focus on their learning in school, it is critical that they spend time at home reading and talking, rather than watching the television. Also, monitoring what children watch will support students’ social development and to help them to abide by the school’s rule for behavior.

Parents/guardians support your child’s healthy development by encouraging physical activities and healthy eating.

Students are not allowed to bring unhealthy snacks or lunch to school. (Please refer to section on healthy eating for details.) Parents are also not allowed to bring unhealthy food onto the school campus (for students’ lunch, birthdays, or other celebrations.) Parents who volunteer to join their child’s class on field trips, are not allowed to buy unhealthy food for their child or other children.

Parents/guardians participate in the life of the School and in cultural/educational events such as: attending scheduled parent meetings and events, attending field trips, volunteering at school, and organizing educational events over the weekends. *Parents who spend 30 hours of time volunteering (an additional 10 hours for each additional child in your family) will be recognized at the end year Family Picnic.* Parents can use the school’s volunteer card to keep track of their hours. Please be aware, volunteering is optional and not required.

Sample List of School Meetings and Events:

- Class/School Wide Parent Meetings (at least three times a year)

P. STUDENT PROMOTION AND RETENTION

New Heights Charter School provides ongoing information to parents regarding student progress. Four (4) times during the year, parents receive formal feedback regarding students’ progress and may receive recommendations regarding additional/supplemental work that will benefit their student.

Criteria for pupil promotion and retention decisions

Our promotion criteria includes students' grades and other indicators of academic achievement. Student results on the Standardized Testing may be included as one indicator of academic achievement. However, Standardized Testing results are not the exclusive criterion for promotion or retention.

The identification of students who should be retained or who are at risk of being retained is based primarily on proficiency in reading between the second and third grades and between the third and fourth grades. For the

remaining grade levels, identification is based on proficiency in reading, English- language arts, and mathematics. New Heights can retain or promote a student without parent or guardian approval.

Appeal

New Heights has an appeal process for parents who disagree with a teacher's promotion or retention decision for their student. The process includes the following steps:

1. Parents submit a written appeal within 3 working days after the formal decision is made to retain or promote.
2. The burden is on the parent as the appealing party to show why the promotion or retention decision should be overruled.
3. A meeting will be held with the Executive Director, parent, and teacher within 2 weeks of receiving the written appeal. At this meeting, a final decision will be made.
