What language(s) do you use at HOME?

_____

What language(s) can you use at SCHOOL for learning?

_____

What language do you most often THINK in?

_____

LANGUAGE HISTORY

Language of Instruction

For each year of school, mark the language your **teachers** used to teach you in most of your classes. If you learned in a bilingual school, you may mark more than one language.

Language of instruction	Grade in School													
	PK	K	1	2	3	4	5	6	7	8	9	10	11	12
Most subjects taught in **English**														
Most subjects taught in **Korean**														
Other language :														

Language Learning

For each year of school, mark the language you **studied as a class**. You will have studied language in school, but you might also study language outside of school in an academy or with a tutor. Please include those. ***Please include all the languages you have studied.***

Language Studied as a Course	Grade in School													
	PK	K	1	2	3	4	5	6	7	8	9	10	11	12
I studied **English** language.														
I studied **Korean** language.
