- Morning Car Bell -- 7:08 until 7:30
  - Begin the line in front of the gym.
  - Do NOT unload until personnel give the signal.
  - DO NOT BLOCK the gate entrance
  - Have your child's book bag packed and zipped.
  - Have your child unbuckled (you may have to stop at the church or at the store by the four way stop).
  - Give hugs and kisses before your child needs to get out.
  - Do not get out of the car. Personnel will help your child.
  - If it is raining, do not unload anywhere, EXCEPT under the covered walk near the gym. Pay attention to school personnel signals.
  - Make sure your child does NOT go back to the car after unloading.
  - Wait for your child to get on the sidewalk before pulling off.
  - Do not turn in from the right side -- you must go to the four way stop to get in line.
- Afternoon Car Bell -- Begins at 2:45
  - Do not enter the parking lot. You may park on either side of the Clara School Road, but do not block the road, Post Office, or bus driveway. You will be alerted when it is time to start carbell.
  - Do not exit your car.
  - We can not wait for you to buckle your child. Pull across to the church to buckle your child.
  - Ask your child to be quiet at carbell. There are LOTS of kids and if each one is talking, carbell takes longer.
- If you have any questions, call 601-735-2065.
