

Austintown Intermediate PTA

2022-2023 Membership Form

Join Our Nest!

Hello AIS families!! Welcome to a new school year! The AIS PTA is planning several fun activities this year, but we need your help! Currently we are holding a membership drive. The class in each grade with the most members by Sept. 30 will have a special surprise!

Anyone can join - parents, grandparents, aunt, uncles, neighbors. You must be a PTA member to help with room parties, Fun Day and all other PTA sponsored events.

Birthdates are required for all PTA members who want to be considered to volunteer as a background check will be done by APD.

Membership is \$6 per member. Or you can get a **membership shirt (\$9) and membership for \$15.** If you have a child at another Austintown school, you will have to pay separate fees for each individual school.

Here's to a FUN year!!
