

# DID YOU KNOW

---

**Utah schools received million dollars from the School LAND Trust Program for the 2022-2023 School Year.**

**Our school received \$146,212.00**

**The School Community Council voted to spend the funds to...**

- Increase the number of students 9th grade students on track to graduate as they leave Jr High.
- Improve end of year assessment outcomes.
- Decrease the number of students below or far below proficient in reading and in math.
- Reduce class size and increase class offerings.

Utah received 7 million acres of land at statehood to generate funding for schools and almost half of the land remains in a trust for public education. The School and Institutional Trust Lands Administration (SITLA) manages the trust land. The School and Institutional Trust Funds Office (SITFO) invests the endowment funds and a portion of the earnings is
