SEPTEMBER 28, 2022 WELCOME!

We are extremely excited about this start of the 2022-2023 school year!

Our students have had a great first nine weeks! They are working hard and setting goals for the remainder of the school year. Thank you for all you have done to get them off to a great start academically, socially and emotionally. We know they will all achieve great things this year and, in the years, to come!

This year our School Theme is DREAM BIG! Your students are working hard everyday to make all their dreams come true while striving for excellence. The NWRE teachers and staff are here to help each child reach their full potential and help make sure your child receives the best education during their time at NWRE.

If there is anything we can help you with, please let us know. We look forward to a wonderful year at NWRE!

At NWRE we are living, loving, learning and leaving a legacy –

Car Rider Reminders

Thank you for your support and patience as we have maneuvered through car rider line during the first few weeks!

- During AM drop off, please pull all the way up to the car in front of you so we can unload several cars at a time. **DO NOT DROP CHILDREN OFF BEFORE TEACHERS ARE ON DUTY!** When driving off, please do not speed or pass cars as we have walkers on our campus.
- Please make sure your car rider tag is displayed in the top passenger side of your front windshield. Each student was issued four tags to share with anyone who might pick up your child throughout the year.
- If you don't have an afternoon car rider tag, you will be asked to pull to the side to verify your identity.
