Meet the RSIA Counseling Dept. Team

2022-2023

Lead Counselor & Lower Academy

Ms. Tekerria Brown

I am thrilled to be serving another year with you as your professional school counselor. It has been a fun journey thus far and I look forward to more adventures as one of your greatest supporters.

My team and I aim to provide important social-emotional support through classroom lessons, small group counseling, and individual meetings. It is our mission to help all students become better learners by providing a comprehensive and developmental counseling program that meets their academic, personal/social, and career development needs. I am looking forward to a great school year. Please do not hesitate to call, email, or stop by for any reason.

Go generals!

6th Grade A-K & 7th Grade

Ms. Chrystal Yon

I have over 30 years of experience working with children in the helping profession. What I enjoy the most about working with the students at RSIA is being a part of their growth and development. I believe all students should be given the opportunity to learn and grow in a happy and nurturing environment. I am proud to be a part of creating such a space for our learners.

6th Grade L-Z & 8th Grade

Dr. Katrina Postell

I am a counselor and educator who is accomplished in diverse leadership roles in counseling and career guidance services in public schools. As I work with the RSIA 6th and 8th graders this year, my goal is to encourage them to take advantage of opportunities like the PSAT and other programs.

Career Development Facilitator

Dr. Dannetta Rivers

As a part of the Counseling Department Team, I am working to engage students, assist the school counselors, support staff members, and connect with parents and community, as we all aim to motivate students with opportunities for self-discovery and career exploration. I am delighted to be a part of the RSIA family! As I walk the halls each day, I am reminded that these same halls are where many of my dreams began to take shape. I am honored to play a role in inspiring our young learners as they come into their own.

School Social Worker

Mrs. Paige Holcombe

I am Paige Holcombe, the school social worker at RSIA. I have been a social worker for over 20 years, 15 of which have been with the Beaufort County School District. School Social Workers are the link between home, school, and community in providing services to students and families to advocate and support students' academic and social success.

Counseling Dept. Clerk

Mrs. Tanisha Byas

Born and raised in Beaufort, SC, I've worked with Beaufort County School District for over 15 years. I deployed in 2017 and when I returned in 2018 I joined the RSIA family. I truly enjoy being a part of the RSIA support team and love being a contributor to the success of our students.

School Psychologist

Hello,
I am Patricia Cooper, the school psychologist at RSIA.
I have been at RSIA for several years. I also serve Battery Creek High School and perform bilingual assessments district wide.
I am excited to be part of the RSIA family; great things are happening this year at RSIA!!
