

Calendar of School Board Meetings for 2022-2023

Generally, the Board of Directors of Roseburg Public Schools conduct a School Board meeting twice monthly. These meetings are typically held on the second and fourth Wednesday of each month, with some exceptions. Those months when only one meeting is scheduled (March, June, July, November, and December), that meeting will typically be scheduled in the middle of the month. The first meeting of the month is hosted at one of our school sites, and the second meeting takes place in the Administrative Office Board Room located at 1419 NW Valley View Drive. Meetings begin promptly at 6:00 p.m.

The Board of Directors welcomes your interest in our school district and will make every effort to provide an electronic link to view and participate in regular board meetings.

The board agenda and Zoom links will be available on the district website located at www.roseburg.k12.or.us

and posted no later than the Monday prior to the Wednesday meeting. On those months when two meetings are scheduled, the first meeting of the month is intended to be a business meeting for the Board to consider items requiring Board approval, and allow Board members the opportunity to appropriately honor deserving students and staff nominated by their schools.

The second meeting of the month is intended to be a Board Work Session where the Board of Education can spend time contemplating issues of relevance within our District's Strategic Plan which guides how services are provided to best serve the children attending Roseburg Public Schools.

The School Board reserves the right to hold Special Meetings as deemed necessary.
