CLUB DESCRIPTIONS

MONDAYS

Healthy Eats

Ms. Lakecia Atchinson

(Grades 4-8)

Kick start your child's brain in the morning with some nutrition! Students will learn the basics of cooking and how to make some healthy snacks & treats to take with them for the morning or for later in the day.

Beautiful You

Ms. Teresa Berkey

(Grades 5-8)

Ms. Teresa is a certified cosmetologist and hairdresser. This club will teach its students the basics of hair, skin, and nail care. Students will also learn about make-up applications. Supplies will be provided, students will receive a basic make-up application kit. Students are asked to bring their own hair brush to each class. Students are permitted to bring in their own make-up and make-up applicators.

Critter Club

Ms. Katie Scaramozzino

(Grades K-5)

In this club students will learn about snakes, lizards, chameleons, and other small reptiles with observations and engaging activities. Students will get an opportunity to study the reptiles and create science journals and do arts and crafts to help them understand the habits and habitats of reptiles. **Students will not be permitted to touch the reptile visitors.**

TUESDAYS

Pom Squad

Ms. Anna

(Grades 2-4)

Pom is a high energy dance routine that excites the crowd with its visual effects. Students will have a blast learning synchronized dance counts that have sharp movements, jumps, turns, and tumble skills. ***Tumbling instruction included.***

WEDNESDAYS

Sports Club

Coach Mike - All Star Sports

(Grades 2-5)

This club is ideal for future CDS Varsity players! This club includes instruction on flag football, basketball and soccer. Club Activities will develop sport specific skills, teach player positions, game rules, and offense/defense strategies through various types of lead up games & drills. Let's get our future Varsity players ready for CDS athletics!

Nature Explorers

Ms. Carmen

(Grades K-3)

This club lets nature lovers explore their sense of wonder while connecting with our amazing mother nature. Activities will offer a wonderful way to increase understanding and appreciation of nature, and will spark more interests on how to take care of our world. Students will explore our beautiful campus with walks and scavenger hunts. Activities include small nature experiments, crafts, games, and expanding the preschool garden outside of the gym, and building small toy creature habitats, bird feeders etc. There will also be plenty of chances for the students to use their imagination to create Nature art pieces.

WEDNESDAYS Continued

Gymnastics At Acro Fit

Ms. Pam

(Grades K-2)

OFF SITE CLUB! Let's get going up-side down! At dismissal, Ms. Pam (one of our PE teachers) will be transporting the students on our CDS Van to Acro Fit Gymnastics Center located at 4015 Clark Road for a one hour gymnastics lesson. Students will train on all of the gymnastics events including bars, beam, trampoline and floor. All skill levels are welcome. Training stations are progression based to meet the student at their level.

-Parents are responsible to pick up their child AT Acro Fit at 5:00pm.

-The total winter session fee is \$230

-\$70 will post in your SMART tuition / \$160 will be charged from Acro Fit in their portal

-REQUIRED! To complete your registration go to Acro Fit's parent portal:

Chess Team

Mr. Eric Meissner

(Grades 4-8)

Join CDS 1st ever competitive Chess Team! There is so much one can learn from chess, from cognitive to life skills. **All levels are welcome, from beginner to advanced.** Students will learn strategic chess strategies and maneuvers to prepare to compete in a virtual tournament. Chess is a beautiful and enjoyable game that develops mind and character... what better way to learn? Information about competing in the limited chess tournaments in Sarasota will be provided to eligible students.

THURSDAYS

Arts & Crafts Creations

Ms. Erika Vargas

(Grades K-4)

Does your child like to craft? This club will offer an array of craft activities that includes drawing, painting, macrame, weaving, scrap booking, and model magic. Your child will come home each week with something special!

Did you know? Arts and crafts activities help to develop strong fine motor skills & finger dexterity for handwriting, enhances hand-eye coordination, and encourages left/right brain connections.

Working with the shapes & color, different materials texture helps with introducing pre-engineering skills, problem solving, and critical thinking skills.

"Once Upon a Recipe" *Animal Edition*

Mrs. MaganWeber

(Grades K-3)

Do you love reading books about animals? Do you enjoy making creative snacks? Well, imagine the fun you'll have when you combine the two! In the club, "Once Upon a Recipe (Animal Edition)" we will explore some sensational stories featuring lots of interesting animals, and then we will create a yummy edible treat that coincides with the book! Grab your chef's hat, because you are officially invited to become a Book Cook! (If you participated in the first session, please note that the Winter Session features all new books, activities, and snacks!)

Junior Engineers

Snapology

(Grades K-2)

"Young students build fun and simple models using DUPLO® blocks. By playing with and manipulating the models, they experience pulleys, levers, gears, wheels & axles while exploring energy, buoyancy, and balance. Classes include free-building time to promote creativity"

FRIDAYS

Cheer Team

Coach Anna

(Grades 4-8)

The CDS Cheer Team brings in the spirit for school-wide events. Cheerleaders will learn all cheer skills like motions, jumps, stunting, tumbling, and dance. Practices will be spent developing these skills, learning CDS cheers & chants, and a Cheer routine to perform for the Varsity Basketball Season.
