

Evaluation Rubric for Student Services and Learning Support Certified Employee Annual Evaluation

<i>Domain A: Data-Based Decision Making and Evaluation of Practices</i>			
Highly Effective	Effective	Needs Improvement/Developing	Unsatisfactory
A-1. Collects and uses data to develop and implement interventions within a problem-solving framework.			
Uses and/or facilitates collecting district data relevant to informing problem identification, problem analysis, and intervention design at the systems level.	Uses available school data and collects additional student data (e.g., screening, progress monitoring, and diagnostic assessment) relevant to informing problem identification, problem analysis, and intervention design.	Practice is Needs Improvement/Developing but requires supervision, support, and/or training to be effective independently.	Does not collect or use data to inform interventions within a problem-solving framework OR Unsatisfactorily demonstrates the practice/skill required.
A-2. Analyzes multiple sources of qualitative and quantitative data to inform decision making.			
Analyzes, integrates, and interprets data from multiple sources at the school or district level, and uses the data to inform systems-level decisions.	Analyzes, integrates, and interprets data from multiple sources at the individual and group level, and uses the data to inform decisions.	Practice is Needs Improvement/Developing but requires supervision, support, and/or training to be effective independently.	Does not analyze, integrate, and interpret data from multiple sources or use data to inform decisions OR Unsatisfactorily demonstrates the practice/skill required.
A-3. Uses data to monitor student progress (academic, social/emotional/behavioral) and health and evaluate the effectiveness of services on student achievement.			
Uses school or district data to monitor the effectiveness of MTSS supports and district intervention program outcomes.	Uses individual and group data to monitor student progress, evaluate the effectiveness of academic and behavioral instruction/intervention, and modify interventions based on student data.	Practice is Needs Improvement/Developing but requires supervision, support, and/or training to be effective independently.	Does not monitor student progress or evaluate the effectiveness of academic and behavioral instruction/ intervention OR Unsatisfactorily demonstrates the practice/skill required.
A-4. Shares student performance data in a relevant and understandable way with students, parents, and administrators.			

Evaluation Rubric for Student Services and Learning Support Certified Employee Annual Evaluation

Trains or mentors others to provide feedback on student performance and other assessment data to stakeholders and to present data in a way that is understandable and relevant to stakeholder interest/needs.	Provides feedback on student performance and other assessment data to stakeholders (students, teachers, parents, administrators, school teams) and presents data in a way that is understandable and relevant to stakeholder interest/needs.	Practice is Needs Improvement/Developing but requires supervision, support, and/or training to be effective independently.	Does not provide feedback on student performance and other assessment data; does not present data in a way that is understandable and relevant OR Unsatisfactorily demonstrates the practice/skill required.
<i>Domain B: Instruction/Intervention Planning and Design</i>			
Highly Effective	Effective	Needs Improvement/Developing	Unsatisfactory
B-1. Uses a collaborative problem-solving framework as the basis for identification and planning for academic, behavioral, and health interventions and supports.			
Provides a leadership role by training others and facilitating team members' ability to identify, problem solve, and plan academic and behavioral interventions.	Works with team and team members to identify, problem solve, and plan academic, behavioral, and health interventions.	Practice is Needs Improvement/Developing but requires supervision, support, and/or training to be effective independently.	Does not work with team to identify, problem solve, and plan academic and behavioral interventions OR Unsatisfactorily demonstrates the practice/skill required.
B-2. Plans and designs instruction/intervention based on data and aligns efforts with the school and district improvement plans and state and federal mandates.			
Trains or mentors others in collecting and using multiple sources of data, including classroom, district, and state assessments, to design and plan instruction and interventions that are aligned with school improvement priorities and other mandates.	Uses multiple sources of data, including classroom, district, and state assessments, to design and plan instruction and interventions that are aligned with school improvement priorities and other mandates.	Practice is Needs Improvement/Developing but requires supervision, support, and/or training to be effective independently.	Instruction and interventions are not aligned OR are poorly aligned with school improvement priorities and other mandates.
B-3. Applies evidence-based research and best practices to improve instruction/interventions.			

Evaluation Rubric for Student Services and Learning Support Certified Employee Annual Evaluation

Applies evidenced-based best practices when developing and planning instruction and interventions across all levels of MTSS (individual, targeted group, school, systems).	Applies evidence-based and best practices when developing and planning instruction and intervention.	Practice is Needs Improvement/Developing but requires supervision, support, and/or training to be effective independently.	Fails to apply OR poorly applies evidence-based and best practices when developing and planning instruction and intervention.
B-4. Develops intervention support plans that help the student, family, or other community agencies and systems of support to reach a desired goal.			
Collaborates to identify systems-level needs, resources, and infrastructure to access services and supports.	Develops a support plan that reflects the goals of student/client systems and supports the goal.	Practice is Needs Improvement/Developing but requires supervision, support, and/or training to be effective independently.	Support plans are Unsatisfactorily developed (i.e., plans do not reflect goals or systems coordination and support to obtain stated goal).
B-5. Engages parents and community partners in the planning and design of instruction/interventions.			
Develops systems-level strategies (e.g., validate participation, decision making, two-way communication) for engaging families and community when planning and designing instruction and interventions.	Engages families, community, and educational stakeholders when planning and designing instruction and interventions. Parent input is valued and incorporated into plans.	Practice is Needs Improvement/Developing but requires supervision, support, and/or training to be effective independently.	Does not engage OR Unsatisfactorily engages families and community when planning and designing instruction/intervention.

Domain C: Instruction/Intervention Delivery and Facilitation

Highly Effective	Effective	Needs Improvement/Developing	Unsatisfactory
C-1. Collaborates with school-based and district-level teams to develop and maintain a multi-tiered continuum of services (MTSS) to support the academic, social, emotional, and behavioral success and health of all students.			
Facilitates the development of MTSS at the district level by planning and implementing interventions that address systemic issues/concerns.	Facilitates the development of MTSS at the school level by planning and implementing interventions whose intensity matches student, group, or school needs.	Practice is Needs Improvement/Developing but requires supervision, support, and/or training to be independently effective.	Does not contribute to the development and implementation of MTSS at the school level OR Unsatisfactorily demonstrates the practice/skill required.
C-2. Consults and collaborates at the individual, family, group, and systems levels to implement effective instruction and intervention services.

<i>Domain D: Learning Environment</i>			
Highly Effective	Effective	Needs Improvement/Developing	Unsatisfactory
D-1. Collaborates with teachers and administrators to develop and implement school-wide positive behavior supports.			
Interacts with school, district, parents, and community partners to sustain and promote effective system-wide programs/services that result in a healthy school climate.	Interacts with school personnel to promote and implement school-wide positive behavior supports.	Practice is Needs Improvement/Developing but requires supervision, support, and/or training to be independently effective.	Does not interact with school personnel to promote and implement school-wide positive behavior supports OR poorly demonstrates the practice/skill required.
D-2. Collaborates with school personnel and students to foster student engagement (e.g., involvement, motivation, persistence, resilience, ownership).			
Examines need and feasibility for systemic intervention to support and increase student engagement district-wide.	Consults with school staff and students to identify strengths and weaknesses as part of problem solving and intervention planning to increase student engagement.	Practice is Needs Improvement/Developing but requires supervision, support, and/or training to be independently effective.	Does not consult with school personnel to support and/or increase student engagement OR Unsatisfactorily demonstrates the practice/skill required.
D-3. Promotes safe school environments.			
Interacts with learning community to enhance, support, and/or create safe and violence-free school climates through training and advancement of initiatives that relate to healthy and violence-free schools.	Interacts with school personnel to promote and implement effective programs/services that result in a healthy and violence-free school climate (i.e., readiness, school failure, attendance, dropout, bullying, child abuse, youth suicide, school violence).	Practice is Needs Improvement/Developing but requires supervision, support, and/or training to be independently effective.	Fails to demonstrate OR Unsatisfactorily demonstrates understanding, advocacy, and implementation of services/programs that address risk and protective factors among students/staff.
D-4. Integrates relevant cultural issues and contexts that impact family–school partnerships.			
Creates and promotes multicultural understanding and dialogue through training and information dissemination to examine the broader context of cultural issues that impact family–school partnerships.	Identifies relevant cultural issues and contexts that impact family–school partnerships and uses this knowledge as the basis for problem solving related to prevention and intervention.	Practice is Needs Improvement/Developing but requires supervision, support, and/or training to be independently effective.	Does not OR Unsatisfactorily demonstrates knowledge of cultural influences on students, teachers, communication styles, techniques, and practices.
D-5. Provides a continuum of crisis intervention services.			

Evaluation Rubric for Student Services Professional Practices in a Multi-Tiered System of Support

Engages the learning community in strengthening crisis preparedness and response by organization, training, and information dissemination.	Collaborates in crisis planning, prevention, response, and recovery and/or collaborates in implementing/ evaluating programs.	Practice is Needs Improvement/Developing but requires supervision, support, and/or training to be independently effective.	Does not OR Unsatisfactorily demonstrates skills related to collaboration for crisis intervention along the continuum of services.
