

CHECK OUT OUR NEW CLASSES!

MONDAY CLASSES: OCT 24, 31 NOV 7, 14, 21, 28 DEC 5, 12 (8 CLASSES)

—————> **COMPUTER CODING WITH KIDS**

GRADES 3-5

Scratch: Intro to Game Development

Start your coding journey by creating your own games! Students will learn the core concepts of computer programming that will lay the foundations for future coding success. A variety of projects, such as chasing games, mazes, and animated stories, will allow students to use their creativity while learning coding concepts like loops and variables. Our unique curriculum and smaller class size provide personalized instruction that helps students progress at their own pace while being appropriately challenged. Students will have access to their own Scratch account that will allow them to continue working on their coding journey at h

CLASS SIZE: Minimum 10

LOCATION: Room 141

LOCATION: GYM

COST: \$160 for **8 CLASSES**

TIME: 3:50-4:50 pm

LITTLE CODERS *Coding with Kids:*

GRADES K-2

Our Little Coders class is an opportunity for young children to develop their computational thinking skills, build their first programs, and have fun with new friends! The curriculum is designed specifically for early readers and takes into account cognitive abilities as well as the attention span typical for ages 5-7. We use age-appropriate online tools, including Lightbot, Kodable, and Scratch to introduce basic coding skills. After the class, students will be able to share their projects with family and friends and continue programming at home with their Coding with Kids Scratch account.

CLASS SIZE: Minimum 10

LOCATION: Room 141

COST: \$200 for **8 CLASSES**

TIME: 3:50-4:50 pm

WEDNESDAY CLASSES: OCT 26 NOV 2, 9, 16, 30 DEC 7, 14 (7 CLASSES)

➔ CHESS CLUB

GRADES 1-5

Join the Chess Club with Orlov Chess Academy and Learn!

Improve your problem-solving skills, train your memory, think and plan ahead. Learn chess tactics, solve chess puzzles, play competitive and just-for-fun games! Workbooks and other teaching materials are provided, just come ready to learn! This will be a fun and teaching experience for all! "The Game of Chess is not merely an idle amusement, several very valuable qualities of the mind. In the course of human life, are to be acquired and strengthened by it..." 1st Foresight 2nd Circumspection and 3rd Caution" -Benjamin Franklin 'The Morals of Chess'."

CLASS SIZE: Minimum 10 / Maximum 18

LOCATION: Room 141

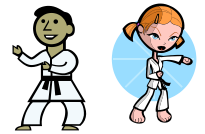

COST: \$112 for 7 CLASSES

TIME: 2:20-3:20 pm

➔ MARTIAL ARTS

GRADES K-5

This program is aimed to introduce children to the awesome world of Martial Arts, and to give them the skills and tactics to protect and defend themselves while having fun and practicing healthy exercise habits. Students will learn realistic ways to avoid being a target. The course will be taught by certified Martial Arts Instructors with years of experience teaching children of all ages. This is a dynamic program, and our team members are ready to deliver this powerful and life-affirming program to your student. They learn practical life skills, confidence and awareness that will help them throughout their lives mentally and physically. Membership includes uniform, belt & life skills award program for the entire 8-week session. Optional rank advancement event available for those that qualify.

CLASS SIZE: Maximum 40

LOCATION: Gym

COST: \$140 for 7 CLASSES

TIME: 2:20-3:20 pm

➔ JR. JAZZERCISE

GRADES K-5

Kids have a blast working it out with new music mixes, high energy dance moves and fitness games created just for them. It's all about fitness, coordination, strength, nutrition, confidence and—most of all—fun! The strong exercise habits that kids develop now can go a long way in shaping their future. In each session we will work on things like coordination, strength, and rhythm. Open to kids ages K - 5th grade.

CLASS SIZE: Minimum 6

LOCATION: Room 216

COST: \$119 for 7 CLASSES

TIME: 2:20-3:20 pm

➔ BEGINNING SPANISH

GRADES 2-5

Language connects us all. Learning a new language can be the key to achievement, both at school and beyond. Diego Morales-Cardona, LWSD Para-educator, was born and raised in Colombia. Come join him in a fun-filled adventure of language and learning. Instruction is designed for beginning Spanish learners.

CLASS SIZE: Min 8/Max 12

THURSDAY CLASSES: OCT 27 NOV 3, 10, 17 DEC 1, 8, 15 (7 CLASSES)

—————→ **BRICKS 4 KIDZ' – (ROBOTICS LEGO® CLUB)**

GRADES K-5

(Each student will have Lego sanitized inventory “checked out” on a 1:1 individual basis. They will be the only ones using their “checked out” items for the duration of the course!)

These classes deliver play that's fun, educational and enriching for each child. We follow with guided instructions for kids to build a project, connect it to a motor and battery and watch their vision come to life. What better way to give kids hands-on fun while they learn practical ways to apply STEM concepts? “Designed and created by teachers, architects and engineering professionals, our hands-on curriculum introduces children ages 4-12 to concepts of engineering, architecture and mechanics using LEGO® bricks. Lessons from math, science, engineering, **architecture, language arts, and social studies** are integrated and discussed. Themes such as Transportation, Space, Inventions and Machines, Robotics and more provide variety and ensure a high level of interest and enthusiasm amongst our students.” General/ Principal Site:
