This guide is designed to provide students and families with tips for strengthening literacy and activities that support the monthly social-emotional skill.
Create a Friendship Chain: cut pieces of paper into strips and have each family member write down how they are a good friend and a way others are a good friend to them. Link the strips by taping or stapling the ends together to form a chain.

Form a Friendship Circle: dedicate a time in your day to come together, form a circle, and share how the person seated to the side of you was a good friend.
