Campus Update

September was a month of continuing to normalize into our classroom environments. Students and teachers are settling into routines and curriculum. It is wonderful to walk the classrooms and see students engaged in meaningful and purposeful work. Our staff had the opportunity to engage in professional development opportunities for SIPPS, Math, SEL, and Behavior, with the goal of teaching the whole child.

The Family Picnic was a great success. Many of our families gathered on the field at our Blvd. campus to enjoy their dinner, let the kids play, and get to know each other. Everyone enjoyed the night out together and the weather was wonderful. Our classrooms celebrated International Day of Peace on September 21st. Our campus had our first fundraiser of the year and many families had a fun night out at Chuck E. Cheese. The students are ecstatic to have Music Fridays at recess back and are dancing away. We are looking forward to our Harvest Festival on October 21st. We have begun partnering with our community to start bringing back some of the extracurricular activities that Elk Grove offered pre-pandemic.
