Campus Update

We have reached the end of the typical normalization period. We are excited to welcome cleared family members to volunteer in the classrooms and chaperone and drive on field trips. The students in middle school reported that the first dance of the 2022-2023 school year at Shingle Springs was awesome! Our Upper El and Middle School communities have both gone on their first field trip of the school year. The Upper El team went the Sacramento State Planetarium and took a walk along the American River. The Middle School team went to Tree Top for a ropes course. Our October restaurant night out was a Texas Roadhouse, lots of family fun!
