The screenshot shows the Clever portal interface for Jacobson Elementary School. The top navigation bar includes 'Home room', 'Library', 'Analytics', and 'Classes'. The main content area is titled 'Kindergarten' and includes a 'Download Class Set of Badges' button. Below this, there is a section for selecting applications to launch, followed by a roster of students. The student 'Tom Quiambao' is highlighted in the roster, and a green arrow points to his name with the text 'Select the student from your roster'. To the right of the roster is a student profile for Tom Quiambao, which includes fields for 'Student information' and 'Primary contact information'. A red arrow points to the 'Download Badge' button in the profile, which is accompanied by a 'Get backup login code' button.
