   • HELPFUL INFORMATION: To create a shortcut to your desktop, find a blank area on this screen and right click on your mouse. Click on Create Shortcut. This will add an icon to your desktop. You can double click on this the next time you want to sign in.
4) Click on Schedule Request Tab if you do not see the screen below. Select your schedule type

5) Fill out all boxes with a ✓ mark beside it. These are required fields. The system will not save your request if they are not filled out. The Event Description is the title of your event. Click on the drop down arrows to see your selection choices Location, rooms, etc. Choose your event dates by clicking on the date in the calendar boxes. You can click on the black arrows in the calendar boxes to change months. Also use the Check Availability button to verify you are not double booking a room.

- The “Duration” and “Spans Over” (shown below the Setup/Breakdown time) typically will not need to be changed. Most events typically span over 1 day. The duration automatically calculates according to the start and end time that you enter.
- Also make sure that you are choosing the correct time of day such as “AM” or “PM”.

Follow the same process to fill out the remaining sections on the request form. At the bottom of the page, you will be prompted to enter the submittal password of: **password** then click Save.

6) You can review any requests that you have entered into the system. Click on the My Requests Tab then **My Schedule Requests**. You will be able to see when your request has been approved, declined, etc. You are also able to print out a listing of your requests by clicking on the print icon.

7) You can view an event calendar while in the My Requests area. Click on Month, Day, or Week Calendar. When accessing the month calendar, for example, the default will be on the current month/year. You are able to change either of these by clicking on the blue down arrow.
8) For the events to show on the month calendar you will need to choose the location (school name) then “Refresh Calendar”. You can also filter your calendar view according to room, organization, etc.

9) After you click Refresh Calendar, you will see the event titles on the calendar. If you would like more information about a particular event, simply click on the title to view those details.
