Email to Parents and Guardians

Dear Parent or Guardian,

The Lincoln Park Board of Education will be using a new parent app, Stopfinder, within the next few weeks. Stopfinder is the easy to use, all-in-one app that allows you to have the most accurate information about your student's bus schedule at anytime from anywhere. In addition to displaying your student's transportation information, Stopfinder features a **private messaging feature** that will allow you to communicate directly with the Lincoln Park Transportation Department.

The email address that is currently on file with the district, the address used for this communication, will be used for Stopfinder setup. Please contact the Lincoln Park main office to make a change to your primary email address as soon as possible.

Stopfinder can be downloaded for free from the App Store or Google Play. Stopfinder will require an invite and registration through the district prior to accessing your child's transportation schedule. Please watch for a Stopfinder email invitation. The email will come from the email address @stopfinder.com. Please contact the Lincoln Park Transportation Department at Transportation@lincpk.com with questions.

Thank you,

Lincoln Park Board of Education
Transportation Department
