SPOT LIGHT ON YOUNG ADULT SERVICES

Our new Young Adult Librarian, **Ashley Dabbondanza** has been hard at work reorganizing the collection in the YA area. The books are being "genreified" – meaning they are now classified into popular genre categories, like historical fiction, fantasy, sports, etc., and marked with stickers for easy identification. Books in a series are being relabeled and shelved in series order, instead of title order. And the graphic novel collection has dozens of great new titles and is now shelved in its own area.

There is a new "Tween" Advisory Group, which along with the existing Teen Advisory Group, contribute ideas about programs, books and improvements to the Teen area, while earning Community Service credit. New this fall is a creative writing group, "Story Tellers", for teens and tweens who like to write. Lots of great things happening for our Teens.

MAHJONG HELP NEEDED

We have had several requests for a **Mahjong group** at the Library. If you are interested in guiding new players, please call us.

BOOK DONATIONS

If you are doing some fall cleaning and discarding your gently used books, DVDs, puzzles, consider donating them to the Library. The Friends of the Library maintains a used book store and all proceeds go to the Library. Donated puzzles are most often added to the Library's collection.

To find out more about our events or to register please visit our calendar online.
