

# STANDARD RESPONSE PROTOCOL

## INFORMATION FOR PARENTS AND GUARDIANS

Volusia County Schools has adopted The “I Love U Guys” Foundation’s Standard Response Protocol (SRP). All Students and staff will be training, practicing, and conducting drills to become familiar with the protocol.

This is a positive change for our district to allow us to differentiate between emergency events that happen on our campuses and outside in the community. This change also allows us to be in line with our surrounding counties, so when students transfer from one district to another our families and students are familiar with our protocols.

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.
