

Parent Bulletin Friday 7th October 2022

Dear Parents/Carers

On Monday we held our Open Evening for parents and pupils in Year 6 who are considering Slough and Eton for next September. I am delighted that as well as having a really busy evening with lots of interested parents the students who attended were fantastic ambassadors for their school. They confidently conducted tours, spoke with parents and answered questions as our school was on show.

Year 7 and 12 Meet the Tutor

This was a really well attended event yesterday afternoon and evening which set the scene well for the years ahead. We are pleased with how well these students are settling into Slough and Eton and hope that means they are making good progress with both their studies and personal development. Tutors will follow up on any matters that were raised in the coming days and parents should continue to use their child's Form Tutor as their first point of contact.

Year 9 Hot Chocolate Friday

Last week's delayed Year 9 meeting took place on Tuesday and the students I saw were full of information about how they are finding life in Year 9 and the challenges of getting older. They are clearly enjoying school life but noticing how much more demanding Independent Study and lesson work is becoming.

Have a good weekend.

Best wishes
Peter Collins
Headteacher

News and Information

Outgrown Uniform

If you have any spare uniform or PE Kit that your child has grown out of we would be very grateful if you could drop it into school for use by other students. If it needs washing we can do this for you.

This week's **Collective Worship** reflection is:

Heavenly Father

In this busy world, it can be easy to forget our values. Help us to remember our values and live by them each day. Help us to live a life of honesty, tolerance and kindness where our mantra guides us and our CHRIST values drives us.

With your strength we know we can live by the values in our society and together make the world a brighter place to be.

Amen
