# A NOTE FROM THE SUPERINTENDENT

Faribault Falcons,

I am honored to be the Superintendent of Faribault Public Schools and to continue serving the staff, students and families in our community. Our Falcon staff is truly the best of the best and we are ever-learning and improving so that we can meet the needs of every student.

Over the past nine years, I have seen tremendous growth in our district. Some notable advancements include the implementation of the Ninth Grade Academy, the seven-period day, Pathways of Excellence, Falcons Online Academy, increased elective offerings, Summer STEAM, technological improvements, improvements in our buildings and grounds, tremendous expansion of our community education programs and our pre-K programming, and so much more.

At Faribault Public Schools, these strategies are our driving force, the foundation of everything we do:

- **Student-Centered Learning:** We will address individual student learning in innovative and challenging ways.
- **Equity:** We will commit to a high-quality education for every student.
- **Mental Health and Safety:** We will ensure our schools focus on the social and emotional well-being and safety of students and staff.
- **School Climate:** We will foster unity, respect, and connectedness within our schools.
- **Family and Community Engagement:** We will engage families and the community to help our students grow as learners and citizens.

We will continue to advance the district following our strategic plan and mission. The safety and prosperity of our students remain our top priority.

I look forward to serving Faribault Public Schools for the 2022/2023 school year and beyond.

Sincerely,

Jamie Bente,  
Superintendent of Faribault Public Schools

## BUS INFORMATION

If you are new to Faribault Public Schools, have moved, have changes to your daycare or added daycare, or changed schools, please call Faribault Transportation at 334-5121 so we can ensure that your child is on the correct bus route. Busing eligibility includes K-12 public and parochial students who live one mile or further from school, and school-aged handicapped students. Also eligible are students in grades K-3 who have hazardous crossings. Call 333-6000 if you have questions regarding your busing eligibility.

### BUSING GUIDELINES:

- Students in grades K-1 who are eligible for bus transportation will receive one bus identification card in August. This card will include the student's name, address, school, and grade so they can easily be identified by supervisors and bus drivers.
- If a student moves or loses his/her identification card, parents can make a card with the student's information and attach it to the student's back pack.
- Students must ride the assigned bus to and from school; there are no exceptions. Bus stops are established by school district administration.
- Please remember, school bus transportation is a privilege, not a right.
- Families are required to designate one pick-up site in the morning (am) and one drop-off site in the evening (pm).
- Students will be transported to those sites only.
- Requests to ride different buses or to get off at unassigned addresses make it difficult for students, teachers, parents, and Faribault Transportation to know where each child is and should be. Seats are often unavailable for students attempting to ride unassigned buses; and each bus must adhere to a legal load count. Consistency in ridership helps our bus drivers get to know each student on his/her bus. This requirement also helps avoid miscommunication and confusion, and ensures the safety of all riders.

## SEVERE WEATHER CALL 333-6057

[www.faribault.k12.mn.us/district/closings-and-alerts](http://www.faribault.k12.mn.us/district/closings-and-alerts)

The decision to keep schools open or closed during winter weather is made with the well-being and safety of our students and families in mind. We take into consideration students time outside walking to school or waiting at the bus stop.

The decision to delay, release early or close schools is made from weighing several factors:

- If road conditions and bus travel is unsafe, roads are driven and checked by the bus company and school personnel during inclement weather.
- Wind chill temperatures
- Excessive snow accumulations

During the winter season, always be sure to dress your child warmly for the bus stop or the walk to school. Buses may occasionally be delayed with bus pickup times due to weather conditions and bus stops may need to be modified depending on road conditions in your area.

## ANNOUNCEMENTS

Decisions to close or delay schools will be made as soon as possible. Please look for announcements the day before a winter storm or by 6:00am the day of the closing or delay of school. Please refrain from calling the schools and check the notification sources on page 12.

## NOTIFICATION SOURCES IF SCHOOL IS CANCELLED

- Instant Alert System (by phone, text or email). An automated alert notification will be sent to you by phone, text, and email based upon information/preferences provided by each family. If your contact information is not current, or if you're not sure, please visit the campus portal.

Our names are Val Svenby and Emilie Tobin and we are Family Literacy Specialists for Faribault Public Schools. Our goal is to build strong school and family partnerships. We believe that family engagement is critical to student success. Research shows that strong school and family partnerships are associated with increased academic, attendance, and behavioral outcomes for students. Families play a role in their child's education by communicating high expectations, monitoring student progress, supporting learning at home, guiding their child's education, and advocating for their child.

As Family Literacy Specialists, we collaborate with staff and families to create relevant and meaningful literacy and engagement opportunities for families with children in early childhood through twelfth grade.

We want all families to receive a high quality and equitable education for their children regardless of their social, cultural or economic background. We strive to ensure that every family feels connected, valued, and welcome at Faribault Public Schools. Therefore, we are committed to offering all of our literacy and engagement opportunities in multiple languages to meet the linguistic and cultural diversity of our families.

# DRIVER EDUCATION

## THE BASICS

- **Students may enroll at 14 years of age, but they must be 15 to take the permit test.**
- This course consists of the state-required 30 hours of classroom instruction and six hours of Behind-the-Wheel. The classroom prepares students for the written permit test. Upon completion of the classroom and obtaining a driver's permit, the Driver Education Coordinator schedules Behind-the-Wheel. The Behind-the-Wheel component prepares students for the road test.
- A student is required to have their permit for six months and be 16 years of age before they are eligible to take the road test for their driver's license.

## COST

**Driver Education costs are \$410.00.** Costs can break down to two payments, \$160 at registration and \$250 before classes start. Payment in full is required one week prior to class start date. If payment is not received one week prior to class, registration will be canceled and a drop fee will be applied prior to your refund.

- The cost for taking classroom elsewhere and taking six hours of Behind-the-Wheel sessions with Faribault Community Education is \$300.
- **Money will be forfeited for:**
  - Discipline reasons, or failure to complete the requirements of the course
  - Missing two or more days of class
- **If you fail to attend the class you are registered for:**
  - A drop/add fee of \$50 will be assessed to register for another class
  - If money is refunded, \$50 will be subtracted from the registration fee

## Tips to help our activities run successfully:

- Please preregister for each class.  
(Help us be prepared for class and let us know that you are coming.)
- Missing a class that you have signed up for? To receive a refund, you must inform the Project ABLE staff 12 hours in advanced that you will not be there.
- Transportation is not provided for any event unless specified in the course description.
- Please do not show up more than 15 minutes early to an event.
- Project ABLE does its best to have interpreters available when needed. Sometimes interpreters are unavailable. If this happens, Project ABLE will do its best to call homes before the event to give them notice.

The Community Education classes are open to any interested person. See the course listing for time, date and location. District 656 will not deny any person the opportunity to participate in any program on the basis of race, color, creed, religion, national origin, sex, age, marital status, status with regard to public assistance or disability. Families and school-age children are encouraged to enroll in any classes which are appropriate for their skill level and maturity.

### Inclement Weather

When bad weather or other emergencies cause cancellation of the regular day school program, Community Education activities scheduled during the day, after school or evening are also cancelled. Because inclement weather is unpredictable and difficult to plan around, class sessions cancelled due to bad weather may not be refunded or rescheduled.

### Learners with Disabilities

You are invited to participate in the classes and activities in this catalog. We will make every effort to provide the accommodations necessary to help make your Community Education experience enjoyable. Accommodation requests are needed two weeks prior to class start date. ### Refund Policy

Community Education reserves the right to cancel any activity due to insufficient enrollment. When an activity is canceled, Community Education will make every effort to contact registrants 2 days before the scheduled start of the activity. Complete refunds are given when this occurs. Persons needing to withdraw their registration must do so no later than five business days before the activity is scheduled to start.

A \$5.00 per class service fee will be deducted from each refund request. Please remember, if you are unable to attend an activity, you may send someone in your place. ABSOLUTELY no refunds are given to those persons withdrawing less than five business days before the start of an activity. No refunds are given for trips. No exceptions.

### Payment Collections

When you provide a check as payment, you authorize Faribault Public Schools either to use information from your check to make a onetime electronic fund transfer from your account or to process the payment as a check. ### Registration Information

You may register in person, by mail, online at [www.faribault.ce.eleyo.com](http://www.faribault.ce.eleyo.com), or by phone. Please note that all registrations must include payment. We accept cash, personal checks, Visa, MasterCard & debit cards.

### Enrollment

When registering for a class, you may sign up yourself and one other family. Enrollment for most classes is limited; therefore, priority for admittance is given in order the registrations are received.

### Withdrawals & Additions

Community Education reserves the right to withdraw a course due to lack of enrollment or loss of suitable facilities.
