School Description

Western Academy of Beijing (WAB) was **established in 1994** as an international, independent, English-language, coeducational day school for foreign children in Beijing that offers a challenging, caring, and community-based educational experience from Early Years through Grade 12. English is the language of instruction. WAB is a school that confidently believes that excellence and inclusiveness can both thrive in the same place.

WAB is proud of its international reputation as a global leader in innovation of learning and teaching. Our High School offers the IB Middle Years Programme (MYP), the IB Diploma Programme (IB DP) and an American accredited High School Diploma. Every graduate earns an accredited Western Academy of Beijing High School Diploma. **The Class of 2023 (87 students) will be the 17th graduating class in the 28-year history of the school.**

HIGH SCHOOL CURRICULUM (IB AND BEYOND)

WAB has plans in place to adjust our learning experience to respond to any changes in the health and safety requirements for our community.

WAB students are encouraged to take the most challenging courses in which they can be academically successful.

English is the language of instruction. Each course meets for 70 minutes on an alternate rotating day schedule throughout the school year, which runs from August through June. The academic year is divided into two halves, with an interim and a final grade being reported on the transcript.

All Grade 9 and 10 students study eight courses each year. In Grade 10, students complete the MYP Personal Project outside of class time. The project exposes students early on to independent research and critical reflection.

In Grades 11 and 12, students can participate in the International Baccalaureate Diploma Programme, Capstone Program or the Individualized Curricula Program (a selection of IB and high school courses that best meets students' future goals). **The full IB DP Diploma is open to all WAB students.**

FULL IB

WAB Class of 2023

8%

Combination of Capstone Program, WAB HS Program, and Individualized Curricula Program

Full IB Diploma students choose from six subject groups that include a broad range of courses with three at standard level and three at higher level. In addition, students must take the Theory of Knowledge (TOK) course, complete an Extended Essay, and fulfill Creativity, Activity, and Service (CAS) commitments outside of class time.

WAB expects full DP students to enroll in no more than three courses at high level and three courses at standard level.

WAB allows 12 applications to universities each academic cycle.

WAB reports student disciplinary infractions that include academic malpractice, as well as suspensions and/or expulsions, to institutions which require this information.

CAPSTONE PROGRAM

The Capstone program is selective and students must apply.

The Capstone program is an academic self-directed learning program for students in Grades 11 and 12. Students generally take five IB or WAB courses and opt for a passion course as their sixth subject: the Capstone. Students determine their Capstone core learning areas for study, create an extended project, and are involved with an internship element over two years. Students can earn credits with a final determination of level of achievement made at the end of the one or two-year program.

WABX EXTRACURRICULARS, GLOBAL CITIZENSHIP, AND CHINA ENGAGEMENT

In order for students to receive the WAB High School Diploma, all students commit to global citizenship projects. Students in Grades 11 and 12 participate in CAS projects with clearly defined IB learning objectives, even if they are not a full DP student.

An annual China Studies field trip for each grade level is a key element in engaging students with our host country while supporting the High School curriculum.

240
ACTIVITIES
16 SPORTS
39 TEAMS

From February 2020 to June 2020, and in school year 2021-2022, there were periods of remote learning. WAB students have had limited access to school-based co-curricular activities; many student-led activities had to be canceled or postponed. Despite this, students were able to develop independent and individual ways to continue their involvement in sports, service, and the creative arts.

COURSE OFFERINGS: 2022-2023 All courses are IB unless specifically denoted as High School (HS) courses.

ENGLISH

MYP: English A Language & Literature, English Language Acquisition

DP: English Literature (SL/HL), English Language & Literature (SL/HL), English B (HL), HS English, HS Academic Reading & Writing Skills

HUMANITIES

MYP: Individuals & Societies

DP: Economics (SL/HL), Geography (SL/HL), History (SL/HL), Digital Society (SL/HL), Psychology (SL/HL), HS Global Issues

MATHEMATICS

MYP: Mathematics (Standard, and Extended levels)

DP: IB Mathematics Analysis & Approaches (SL/HL), IB Mathematics Applications and Interpretation (SL/HL), HS Essential Mathematics

SCIENCE & TECHNOLOGY

MYP: Science (Integrated Biology, Chemistry, and Physics lab sciences), Design

DP: Biology (SL/HL), Chemistry (SL/HL), Physics (SL/HL), Design Technology (DT) (SL/HL), Environmental Systems & Society (SL), Sports, Exercise & Health Science (SL), HS Integrated Science

LANGUAGES

MYP: Mandarin, Spanish, French Foundation, Standard, Advanced levels

DP: Mandarin Ab Initio SL, Chinese Literature A (SL/HL), Chinese Language and Literature A (SL/HL), Chinese B (SL/HL), Spanish Ab Initio SL, Spanish B (SL/HL), IB French B (SL/HL), Self-Taught (SL) (School Supported), HS Conversational Chinese

THE ARTS

MYP: Art, Dance, Drama, Film, Music

DP: Visual Arts (SL/HL), Dance (SL/HL), Theatre (SL/HL), Film Studies (SL/HL), Music (SL/HL), HS Art & Design

PHYSICAL EDUCATION

MYP: Health and Physical Education

OTHER

DP: Theory of Knowledge (TOK), HS Capstone, HS Professional Skills

INDEPENDENT LEARNING

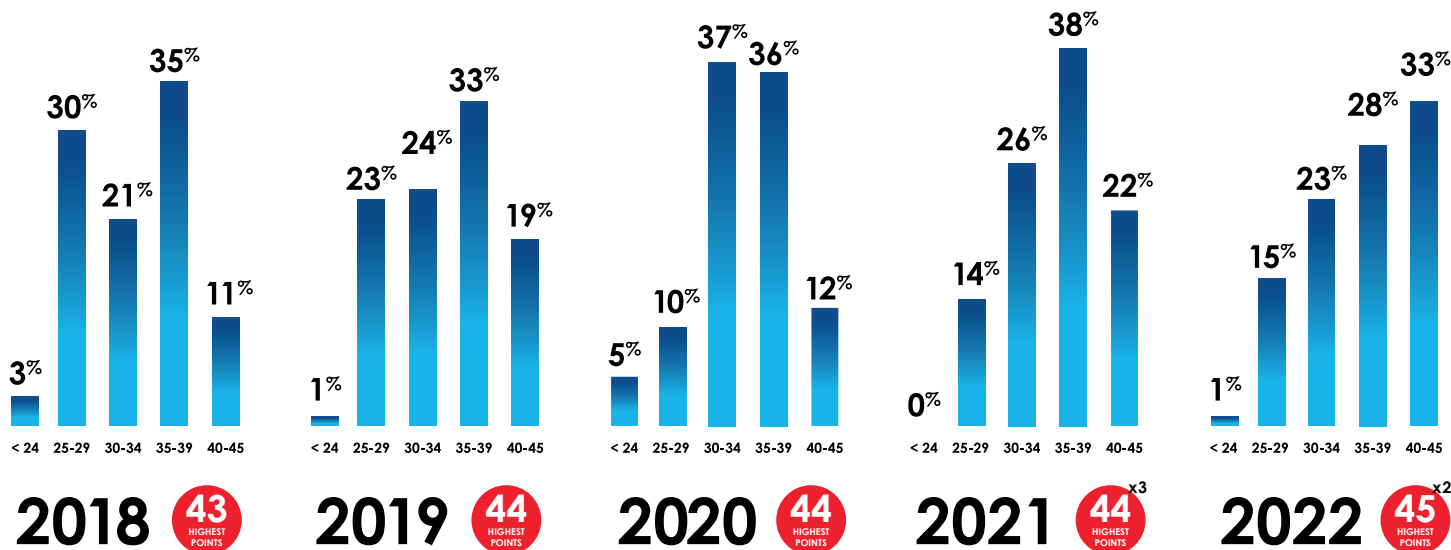

MYP: Personal Project

DP: Extended Essay

Students who are non-native English language speakers are assessed to determine whether **ELA support** is required.

Western Academy of Beijing IB Diploma Results

WAB is inclusive with regard to admission to the IB Diploma Programme. Approximately 90% of students choose the full IB Diploma Programme.

Graduating Class	IB DP Candidates	WAB Mean	World Mean	Percentage of WAB DP Candidates Who Earned the Diploma	Number of WAB Students Who Earned a Bilingual Diploma
2022	82	37	31.98	96%	24
2021	80	36	33	99%	22
2020	83	34	29.92	96%	22
2019	83	34	29.63	94%	29
2018	97	34	29.76	90%	15

WAB Graduation Requirements

College Preparatory Diploma (minimum 24 credits)

- 4 English
- 3 Science
- 3 Mathematics
- 3 Humanities
- 2 Arts
- 2 Health and Physical Education
- 2 Technology
- 3 Electives
- 2 Other Language

General Studies Diploma (minimum 14 credits)

- 3 English
- 2 Science
- 2 Mathematics
- 2 Humanities
- 2 Health and Physical Education
- 2 Arts
- 1 Elective

Credit is given at the end of a school year with a grade of 3 or higher. Transfer students will have their previous transcript verified and credit is awarded (not stated on WAB transcript). Students may be waived certain requirements only if transferring mid-way through high school. **WAB does not rank or calculate Grade Point Average (GPA).**

During remote learning, WAB adopted an assessment policy that allowed students to earn a P (Pass) for demonstrated learning in a given course when there were insufficient data to calculate a numeric grade.

Grading System (1-7 Scale)

The WAB assessment system follows the established IB criteria and conversion table, whose descriptors are noted below:

Grade	North American Conversion	Descriptor
7	A+	Excellent
6	A	Very Good
5	B	Good
4	C	Satisfactory
3	D	Mediocre
2	F	Poor
1	F	Very Poor

Class of 2023 SAT Scores Summary

Standardized Tests & External Exams

WAB offers the following external exams on site:

- IB
- MAP
- ACT
- PSAT
- SAT
- HSK

Due to the global effects of the pandemic, standardized testing options for International students were severely curtailed. Even where testing was available, sudden test cancellations, center closures, and poorly-functioning registration systems adversely affected students' abilities to follow their planned or ideal testing schedules.
