SECTION II
JUSTIFICATION FOR ADDITIONAL BUS PURCHASES, TRANSPORTATION SERVICES, AND/OR EARLY BUS REPLACEMENT

1. Pursuant to IC 20-40-18-9(2)(A), if the School Corporation is seeking to acquire or contract for transportation services that will provide for additional school buses or buses with a larger seating capacity as compared to the number and type of school buses from the prior school year, explain for each additional bus and the circumstances of the demand for increased transportation services within the School Corporation. West Noble School Corporation is a member the Northeast Indiana Special Education Cooperative. The transportation costs are divided equally between the members. The amount listed is West Noble's portion of the 2020 bus replacement costs.

2. Pursuant to IC 20-40-18-9(4), if the School Corporation is seeking to replace an existing school bus earlier than twelve (12) years after the existing school bus was originally acquired or requires a contractor to replace a school bus, explain for each bus the circumstances for that need.
