

Crossing the Street to Board the School Bus

Student and Parent Instruction

- 1 STAY:** on your side of the street, 12 feet away from traffic
- 2 WAIT:** for the bus and the stop arm to extend. The Driver will be holding his/her left palm up for you to wait for traffic to stop
- 3 STOP:** and look for traffic both ways, then check again. When it is OK the Driver will point in the direction you will walk to cross the street.
- 4 LOOK:** for moving traffic both ways as you walk directly across the street.
- 5 CROSS:** 12 feet in front of the bus in full view of your driver. Be careful in the danger zone and board the bus without delay.

Crossing the Street is DANGEROUS – Cars May Not Stop!

.....
Your life depends on the following:

- You must **LOOK BOTH WAYS** for moving cars. If a car is moving, do not step into the road
- **PAY ATTENTION!** Take ear buds out! Don't walk and text!
- If you hear the horn, look and find safety
- **PARENTS**, even if you are crossing with your child, please follow these same steps
