

The Carmel Education Foundation (CEF) is proud to support Carmel Clay Schools (CCS) students in academic achievement and lifelong learning.

We recognize that students are valuable resources in our school communities and we want to inspire their innovation and passion by funding projects that begin with a great idea and have a lasting impact.

STUDENT LED GRANTS ARE TO BENEFIT A CARMEL CLAY SCHOOLS STUDENT COMMUNITY

A community can be a classroom, grade level, area of the school, student club, a team, or any setting where a group of students will be positively impacted by the great idea. Projects need to be focused on one of these areas:

- **Community Building** – activities, lessons, projects or programs that create positive connections between students;
- **Wellness** – physical or mental wellness projects, lessons/activities to promote health and well-being; or
- **STEM** – new ideas for lessons or resources that are related to science, technology, engineering, math or Project Lead the Way curriculum.

GRANT INFORMATION

- **Student Ideas Only** – The idea needs to come from a Carmel Clay student or a group of students, in grades K-12.
- **Meets a Need** – The project must meet a need in a school community.
- **Individual or Groups** – The application may be submitted by an individual student or a group of students in grades K-12. If being submitted as a group, one student will need to be the main contact. We suggest no more than five students be involved in the application process. Additional students can help implement the project if the grant is awarded.
- **Video Application** – Students will create a 3-5 minute video application based on an outline and [rubric](#)
- **Budget** – Grant requests can be up to \$1,500. A sound budget showing what exactly the funds will be spent on and point of purchase is part of the application.

CCS STAFF MENTOR

A CCS staff member will sponsor the student(s) applying for the grant.

This staff member will:

- Guide students in the video application process
- Complete a Google application and grant agreement as the mentor
- Be responsible for administering any funds that are awarded
- Guide students in project implementation and reporting

- Assist students in creating a budget

APPLICATION PROCESS AND TIMELINE

- The application, via Google Form with a required video upload, will be open **Wednesday, October 12, 2022 through Sunday, November 27, 2022.**
- Recipients will be announced the week of December 12, 2022.
- Grant projects need to be completed by May 30 2023.
- A written and visual report, completed by both the student and mentor, needs to be submitted within 30 days of the project completion.
- All materials are on our website: <https://www.ccs.k12.in.us/foundation/grants/student-led-grants>.

IMPORTANT DETAILS

- Projects are to directly benefit students.
- Students have to be involved in all areas of the application including creating the video and budget.
- Proposals need to be **approved by the school principal (and/or CHS department chair, if applicable).**
- **Any technology** needs to be pre-approved by Terry Howell, CCS Technology Supervisor (317-844-9961 x1052, thowell@ccs.k12.in.us) **AND** Kate Masterson, CCS Assistant Technology Director (317-844-9961 x1029, kmasters@ccs.k12.in.us).
- Funds will be awarded to the school treasurer; and the mentor will work with them for expenditures.
- Grant items purchased with CEF funds become the property of the school or Carmel Clay Schools.
- Applications will only be accepted within the stated time frame.
