### Title I School-Parent Compact 2022-2023

The parents, students, and staff of Lee County High School 9th Grade Campus partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend revision meetings or submit surveys sent each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the Title I parent surveys that are also used as a tool to collect parent feedback regarding the current Title I programs and policies.
