Embracing Faith, Family and Education

A Letter from the President

Dear Nazareth Academy Community,

It continues to be my privilege to serve the Nazareth community as President. With a grateful and humble heart, I thank you for your trust in Nazareth Academy High School. Rooted in the charism of the Sisters of the Holy Family of Nazareth, our academics, service programs, and student life help to form our students into the virtuous leaders of tomorrow. We

continually challenge the young women of Nazareth to do their part to make this world better than they found it, to make a difference in the lives of those around them, and we trust that they will.

Our commitment to campus beautification continues. As a result of on-going support, and the confidence in our Advancement Team, Nazareth is positioned to complete projects while simultaneously fundraising for those projects. This past summer, there were multiple improvements made in the gym. The library was transformed into a modern Multimedia Center thanks in part to the support of the Ambassador's Fund for Catholic Education as the second phase of our STREAM (Science, Technology, Religion, Engineering, Art, Math) program. Our Chapel received a facelift with the ceiling being plastered and painted, pews were varnished, and the stations of the cross were painted.

We are so thankful for the generosity of so many alumnae, parents, friends, and businesses that benefits each one of our students, every day. We encourage our entire community to join us in our efforts by giving of your time, talent, and treasure. With your partnership, we will continue to transform our young girls and ensure that tomorrow is a better place for us all.

May the Holy Family of Nazareth bless you and keep you safe.

Blessings,

Nazareth Students Breaking Barriers Beyond the Classroom

The Nazareth Star Chasers hard at work assembling their rockets in the Innovation Center.

At Nazareth Academy, young women engage in hands-on, interactive experiences that enhance our academic program, promote service learning, and provide opportunities to make interdisciplinary connections in innovative and exciting ways. With more than 40 clubs and activities to choose from, Nazareth offers countless opportunities for students to explore beyond the walls of a classroom and to develop critical leadership skills. Each club and activity caters to students' unique strengths and interests, offering individualized opportunities to grow and excel in their passions.

“Learning does not stop at the classroom door. At Nazareth, students walk out of a music theory class and then onto the stage to sing for a packed house. Students design and produce rocket components in their 3D Design class then use those very components to launch their rockets in competition. These very authentic and robust experiences are invaluable for students and their learning process. Learning outside the classroom by doing enhances learning and develops life-long skills.”

— James Meredith, Principal

The Nazareth Academy rocketry team, the Star Chasers, is one example of how Nazareth's rigorous academic curriculum seamlessly extends into real-world applications. Our STREAM curriculum and state-of-the-art Innovation Center laid the foundation for the Star Chasers to collaborate and build their rockets. Using 3D printers and laser cutters, the Star Chasers were well equipped with the proper tools

and machinery to construct the rockets that led them to the National Championship.

Throughout the school year, the team designs, experiments, and practices in an effort to compete for the national title at the American Rocketry Challenge, the world's largest rocket contest with nearly 5,000 students competing nationwide. Rising above more than 720 teams, our Nazareth students broke barriers as one of the few all-girls rocketry teams to qualify for this prestigious competition.

“They really are my heroes. When I look at these young ladies, I

think about how we should always have eternal optimism and hope for the future because of these young ladies who are here crafting a better world.”

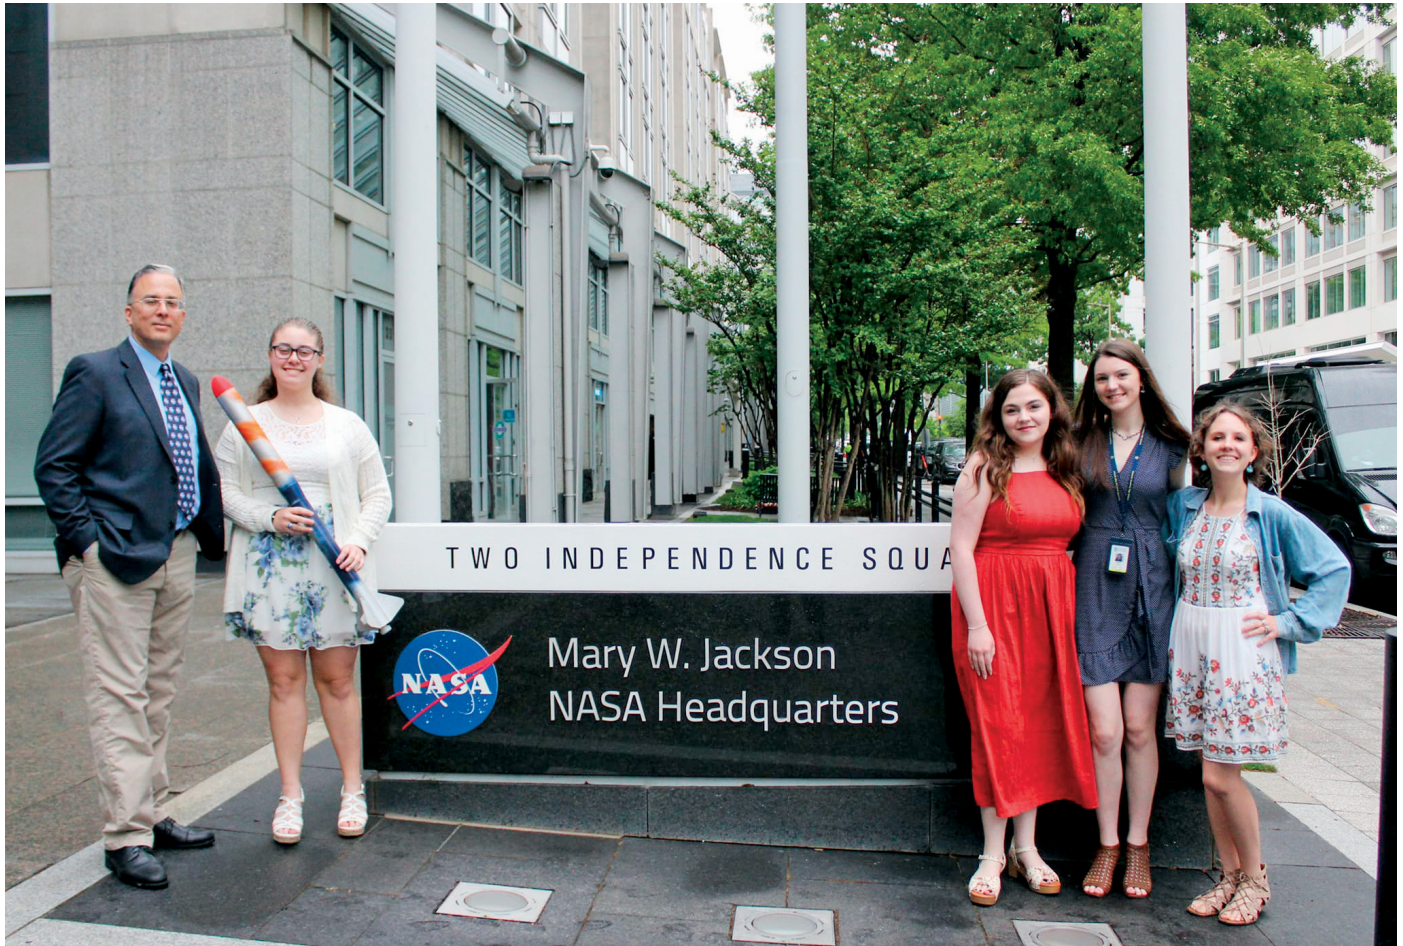

— Gregory Severino, Director of the Innovation Center and Rocketry Club Moderator

Prior to the National Championship, the Nazareth Star Chasers received a formal invitation from the Aerospace Industries Association to be VIP guests at the National Aeronautics and Space Administration (NASA) headquarters in Washington, D.C. This was an incredible opportunity offered to only four of the over 100 rocketry teams competing in the National Championship.

During this visit, the students met with the head NASA Administrator, Bill Nelson, and spoke with him and other NASA officials on their rocketry

endeavors. They received a behind-the-scenes look at how the nation’s space program runs numerous projects in aerospace operations. The team was commended for their academic accomplishments at Nazareth Academy and were recognized as the future generation of women leaders in the fields of science and engineering.

At Nazareth, young women have many opportunities to discover themselves as leaders. Whether it be through a club like rocketry, within the fine arts, on the athletic field, or in one of the many other activities offered at Nazareth, students are empowered to make decisions, plan events, and work collaboratively in an effort to advance the mission of Nazareth Academy. Ingenuity and innovation are celebrated both in and beyond the classroom.

“Our students have a multitude of interests and talents, and we provide a path for them to enthusiastically pursue their endeavors outside the classroom. The experience of planning, proposing, and implementing a club is an invaluable real-life experience for our students. Just this year, we saw

the inception of the Star Wars Club, the Hispanic Culture Club, and the Jewelry Making Club.”

— Theresa Hartey, Assistant Principal for Student Life

While there are endless ways for students to develop their talents and interests within the walls of Nazareth, it is ingrained in our mission to encourage students to reach further and go beyond what they know they can achieve.

“At Nazareth, students learn STEM skills, critical thinking, communication skills, both written and oral. They learn how to collaborate and are provided with space to explore new hands-on experiments, to experience reflective questions, and to construct innovative and creative solutions.”

— Denise LePera, President

Fostering an environment for exploration and curiosity, Nazareth empowers students to develop their gifts to serve others and their community. We challenge students to become life-long learners who shoot for the stars.

Why I Support Nazareth

Marlene De la Cruz '79

Nazareth Academy had a profound influence on my life. I support the school because I believe the next generation deserves to have the same experiences I had during my time at Nazareth — experiences that will have an incredible influence on their lives.

One of the most formative experiences for me at Nazareth was meeting Mrs. Joan Geruson in my freshman year. I was very talkative, and with her warmth and great sense of humor, she suggested that I “put my mouth to good use” and join the Forensics and Speech team. Through that activity, I met many life-long friends as well as learned important skills that are still with me today. Her ability to motivate and develop young women impacted me greatly.

After Nazareth Academy, I went on to college and ultimately earned an MBA at La Salle University. Currently, I lead the Market Research Franchise of a global pharmaceutical consulting firm, Adelphi Group. This industry tends to be male-dominated, so I have mentored many women along the way who have developed into excellent leaders. My experiences at Nazareth influenced my desire to champion women — to recognize their strengths yet challenge them to grow further — just as my role model, Mrs. Joan Geruson, did for me.

My experiences at Nazareth influenced my desire to champion women — to recognize their strengths yet challenge them to grow further.

I was fortunate enough to meet my soul mate, Lee Snyder, and have been happily married for 34 years. We have an amazing daughter, Amanda, and wonderful son, Alex. I am so proud of the strong woman Amanda has become and know that my time at Nazareth influenced the mother I became. Alex has autism, so I have worked hard as an autism advocate. By starting a hiring program for individuals with autism at Adelphi Group and serving on the board of Autism Cares Foundation, my goal is to ensure that Alex and others with disabilities have the opportunities we all deserve. The concept of living a life in service to others was ingrained in me at Nazareth.

In 2019, I attended my 40th high school reunion and saw classmates I had not seen in many years. It was wonderful to be in a room filled with such accomplished women, professionally and personally. While we all had been apart for many years, that day it was clear that we shared a formative experience at Nazareth that greatly defined our lives. It has been a true joy remaining connected to such a special community — the Nazareth sisterhood.

I give to Nazareth to support this sisterhood and continue the cycle of championing young women. Nazareth Academy recognizes the strengths of each student who steps foot on those Chapel steps and guides her on a path to reach her full potential. When I give to Nazareth, I am paving the way for more bright young women to be shaped and strengthened by a Nazareth education.

Why I Support Nazareth

Caroline Dahlgren '07

From the very first moment I set foot inside Nazareth, I immediately knew it was a place unlike any other . . . it was home. It's almost impossible to describe the immense warmth and support that radiated through the halls every day; it didn't matter whether you played sports, had the lead in the play or were oddly fascinated by the stock market . . . Nazareth is a community that enables authentic academic, spiritual and personal growth. The academic rigor and culture of excellence embedded in the Nazareth ethos have inspired and pushed my thinking beyond what I could ever have imagined. Most importantly, Nazareth taught me to be curious, enabling a life-long journey of learning. As a Diocesan Scholar, I had the opportunity to explore my passions and interests — namely Chinese culture and history — by taking college courses my senior year. This tested my academic abilities, encouraged me to think and learn beyond the walls of a classroom, and ultimately inspired my travel to China as both a university student and, later, as a professional.

My high school experience defined a path that beamed with opportunity, leading me to New York City, where I attended Fordham University's Gabelli School of Business. Today, I am the Global Head of Consumer Insights for Tiffany & Co., where I put my curiosity to good use on a daily basis. Within this role, I have spent a considerable amount of time traveling the globe to understand the intersection of cultures and consumer behavior.

I have come to realize that there are very few places in this world that are so special that you never want to leave them, and where saying goodbye is immeasurably difficult. These types of places are home and, somehow, we always find our way back in one way or another. For me, this describes Nazareth, and in recent years, I have found my own way home. In 2021, I joined the Development Committee, volunteering my time and expertise to further the mission of Nazareth Academy High School. Additionally, at the start of the 2022 academic year, I was honored to begin serving as a member of the Board of Trustees, dedicating myself to upholding and strengthening the school's values and traditions.

When we give to Nazareth, whether it be gifts of time, talent or treasure, we are ensuring that future generations of Nazareth students receive a world-class education and experience all the beloved aspects that make Nazareth unique. Supporting Nazareth is critical to ensuring that this beloved sisterhood continues to flourish and thrive by building a sustainable foundation for our dear NA for years to come.

"The academic rigor and culture of excellence embedded in the Nazareth ethos have inspired and pushed my thinking beyond what I could ever have imagined."

Why I Support Nazareth

Mike Stone, P '24

I have found that, in the world we live in today, it is important now, more than ever, to connect with the things that truly matter. For me, that is family. My family consists of my wife Kim, our two sons, Kyle and Luke, and our daughter Casey '24. My oldest son Kyle is nineteen years old and studying film at New York University, and my son Luke is 14 years old in his freshman year at Holy Ghost Prep. Casey is 16 years old and a current junior at Nazareth Academy High School. For each of my children, I want them to excel and develop into young men and women who will make the world a better place. For Casey, Nazareth Academy provides her with an environment to do just that.

When I speak about our family choosing Nazareth, it really means that Casey chose Nazareth. Casey toured and was invited to attend many highly acclaimed, all-girls Catholic school in the area. She chose Nazareth above all others because of the care and support the other girls and faculty showed her from the onset.

"It was the Nazareth sisterhood that made the difference. To Casey, Nazareth Academy was the place she felt most at home — the place where she could connect with what truly matters — her integrity, community, service and faith."

As a parent, I know that Nazareth does a great job of living out their mission. The school balances faith, family and education to create a community where leadership development is encouraged. Their students excel and transform into young ladies who are charged to take on the world, leaving it better than they found it. It's important to support this environment for my daughter so that she may continue to thrive.

I choose to support Nazareth in many ways — one of which is through the EITC (PA Educational Improvement Tax Credit) program. This program allows for individuals to leverage their state taxes to directly benefit our schools. This affords us, as a family, a path to direct our own tax dollars back to Nazareth Academy High School, providing scholarship dollars to Nazareth, allowing young women the Nazareth experience who may not have been able to afford it. If I am going to pay the taxes anyway, why wouldn't I want to direct it to a place that is shaping my daughter, and many other young women, into bright and talented leaders of tomorrow? You don't always have the luxury to say your tax dollars are making a difference. In this case, you know that they are directly impacting the young women at Nazareth Academy High School.

A Letter from the Board Chair

Dear Alumnae, Parents, and Friends of Nazareth Academy,

I have been reminded how fortunate the alumnae and students at Nazareth Academy High School are to have such a strong foundation. This bedrock is formed by our faith, our rigorous academic curriculum and vibrant extracurricular activities, and our shared vision of dedicating everything we do in service to God and others. Our commitment to our mission of embracing faith, family and education never wavers.

Nazareth has always encouraged students to go one step further. Led by our dedicated school leadership, Nazareth fosters an environment that inspires excellence, both in and beyond the classroom. It is engrained in our mission to challenge each student to reach her full potential academically, spiritually and personally. With a senior class that earned over \$47.4 million in college scholarships and grants, our students reach beyond their full potential and achieve successes far greater than they can imagine.

It is through the generous support of our community that Nazareth's immediate and greatest needs are met each year. Whether you gave a gift to the Nazareth Fund, directed your PA state taxes to the EITC program, or sponsored or attended one of our annual events, your investment sustains the excellence of the school and the students' experience. When you invest in Nazareth, you are shaping the future of young women who are charged to serve, lead, and change the world for the better. On behalf of the Board of Trustees, I offer my heartfelt thanks — for your gifts, your loyalty, and your commitment to our shared mission.

May the Holy Family of Nazareth bless you and keep you safe,

Nazareth Academy High School is proud to recognize the generosity of all individuals and organizations who have so graciously given from July 1, 2021 through June 30, 2022. Every effort has been made to include each individual and organizational donor correctly spelled and in the proper category. Time and other publication restraints sometimes interfere with these efforts. If your name has been omitted or misspelled, we offer our sincere apologies. Please notify the Advancement Office at 215.268.1047 for any corrections.

2022 Legacy Gala Raises Over \$72,000

The annual Legacy Gala celebrates those who have contributed to the growth and success of Nazareth Academy High School. The 2022 Legacy Gala included an online auction the week leading up to the event and a celebration of Nazareth Academy High School held at The Union League Golf Club at Torredale on April 22, 2022. The 2022 Legacy Gala was a tremendous success.

Each year, we honor a member of our community who has supported Nazareth Academy High School's mission of embracing faith, family and education. This year we honored Charles and Nina Tanghe '98 Ingulli. Charles has served on the Nazareth Academy High School Finance Committee since 2019, joining the Board of Trustees in 2020, and this year, he serves as Vice Chair. Nina is a member of the Class of 1998 and is a proud and successful owner of an Ameriprise Financial franchise. Together, they believe in Nazareth's mission of embracing faith, family and education. They are committed to

partnering with Nazareth Academy High School so that we may continue to flourish and produce the leaders of tomorrow. To Charles and Nina, Nazareth is their family. It was a joy to celebrate these two incredible honorees and their contributions of their time, talent, and treasure to the Nazareth Academy High School community.

The Student Council Leadership Team shared speeches throughout the celebration, with National Merit Finalist, Madeline Scott '22 emceeding the night. Kristina Perez '22 recounted how the Fund a Dream campaign turned her Nazareth dream into a reality. As a senior, Kristina was awarded the Villanova University Presidential full-tuition scholarship. At the conclusion of the evening, these young ladies led us in the singing of our beloved Nazareth alma mater — *I Love My School a Million!*

Because of your support, we were able to raise more than \$72,000. We look forward to seeing you next year at the 2023 Legacy Gala on April 21, 2023.

2022 Panda Golf Classic

The 11th Annual Nazareth Academy High School Panda Golf Classic was a success because of the generous sponsors who joined us for a beautiful, sunny day of golf at The Union League Golf Club at Torredale! Nazareth Academy High School thanks all of our participants and sponsors of this important

fundraising event. We thank The Union League Golf Club at Torredale for providing us with a beautiful venue for our event. Mark your calendars for June 7, 2023, for a great day of golfing in support of our Nazareth girls at the 12th Annual Panda Golf Classic on June 7, 2023.

Inspire Others and Create a Lasting Legacy with a Planned Gift to Nazareth

Making a planned giving commitment to Nazareth allows you to leave your legacy at the school that has meant so much to you and to thousands of other women since 1928. A planned gift to Nazareth may cost you nothing out of pocket today and help the school's future strength and prosperity. Planned gift donations, built in consultation with the donor's advisors, benefit Nazareth and optimize the donor's financial, tax and/or estate plan.

This year, Nazareth Academy High School received its largest estate gift ever — \$99,000! The impact of this gift will touch every aspect of the Nazareth experience and strengthen our school and help develop young women into the future leaders of tomorrow.

There are a variety of assets that can be used to complete your planned giving support for Nazareth Academy High School:

- Cash through bequests
- Securities
 - o The best stocks to use for charitable giving are those that have increased greatly in value, particularly those producing little income. By donating the security to a charitable organization like Nazareth Academy High School, you avoid paying capital gains taxes.
- Real Estate
 - o A gift of real estate offers you the opportunity to make a significant charitable contribution with a tax-friendly outcome. Such real estate may be a personal or vacation home, commercial building, or undeveloped property. You can make an outright gift, a gift that is retained for your life, or a bargain sale where you receive some of the cash value and convey the rest to Nazareth.
- Life Insurance
- Tangible Personal Property
- Retirement Plan Assets

Plan Your Reunion

Upcoming Class Reunions — Years Ending in 3 and 8

Nazareth Academy High School is dedicated to fostering life-long relationships amongst our alumnae community. The Nazareth Academy High School Alumnae Office would like to assist you in the planning of your reunion. If you have already begun planning your reunion, please let us know so we can help promote the event on our website and social media and assist you in any way.

Become a Class Ambassador

The Alumnae Ambassador program is open to any Nazareth Academy High School alumna interested in volunteering as an ambassador for her graduating class. The program is designed to increase connection with and communication to alumnae. The Alumnae Ambassador program promotes loyalty, support and involvement within the school community.

The primary role of an Alumnae Ambassador is being a passionate representative for your class by sharing pertinent alumnae news, Nazareth happenings and helping Nazareth keep in touch with your fellow alumnae.

Ambassadors serve as a resource for planning reunion events and keeping Nazareth informed about classmate updates, including contact information or life changes such as marriages, births, employment status, etc.

Ambassadors are asked to serve for a minimum of two calendar years and communicate any updates with the Director of Alumnae Relations quarterly. Multiple ambassadors can be selected for each class year.

Alumnae Ambassadors are essential to the long-term success of Nazareth as we maintain the sisterhood that is a hallmark and unique characteristic of the school.

If you would like to chair your reunion or become a class ambassador, please contact:
