

THE HAVERFORD SCHOOL
Preparing Boys for Life

TUITION ASSISTANCE CHECKLIST AND TIMELINE

PURPOSE

A Haverford School education is an investment in your son's future. It is also a significant financial commitment. The Haverford School understands this and is committed to being accessible to students regardless of their family's financial resources.

The School believes that diversity in all forms, including socioeconomic, racial, ethnic, religious, and geographic, enriches our community.

GUIDELINES

Families must apply each year for tuition assistance. To be eligible, they must meet tuition assistance criteria established by School and Student Services, known as SSS, and by The Haverford School. It is the policy of the Tuition Assistance Committee to maintain grant funding consistently from year to year, subject to current documented need and established criteria.

The Haverford School is committed to need-based tuition assistance and is a member of SSS, which assists independent schools in determining financial need. The Haverford School reviews requests for tuition assistance after SSS has completed its calculations and the tuition assistance file is complete. The Parents' Financial Statement (PFS), which is evaluated by SSS, is reviewed by The Haverford School's Tuition Assistance Committee. It is used as a guideline to assist in making tuition assistance decisions and is not binding.

For more information, visit:

haverford.org/tuitionassistance

We make every effort to help all eligible applicants. All grants are funded by the School. Grants are made only to students who qualify for aid on the basis of financial need. The Haverford School does not give athletic or academic scholarships. The Haverford School adheres to the National Association of Independent Schools (NAIS) Principles of Good Practice for Financial Aid.

CHECKLIST

TIMELINE

- ❑ ADMISSIONS APPLICATION (FOR NEW STUDENTS)
