

Hanford Elementary School District

**MAINTENANCE WORKER I/II**

Supplemental Application Questions

**INSTRUCTIONS:** As part of the selection procedure, the following questions measure necessary employment standards for this position and must be completed in order to qualify for the position. Attach your responses to items 1-8 on separate sheet(s) of paper. Please attach your responses to the application.

**NOTE: An application will be considered incomplete without the responses to these questions. It is recommended you respond on a separate sheet of paper.**

1. Describe your current or past experiences as a Maintenance Worker.
2. Describe your experience in reading and interpreting building blueprints, working drawings and sketches.
3. Describe your knowledge in the following building trades: plumbing, electrical, carpentry, painting and masonry.
4. Describe your experience in completing maintenance records and documenting repairs.
5. You receive a call that an electrical outlet is not working. Explain what steps you would take to locate the problem and repair the outlet.
6. A kindergarten classroom has a light fixture not working. How would you diagnose the problem and make the repair?
7. You have been instructed by your supervisor to place three benches in concrete next to a classroom, which will require using a drill and masonry bits. The teacher requests that you not make noise while her class is in session. Describe how you would handle this situation.
8. Valid California Driver's License No. \_\_\_\_\_

Expiration Date: \_\_\_\_/\_\_\_\_/\_\_\_\_

**Please attach a copy of your current DMV report.**
