COMMUNITY MAGAZINE

Zurich International School (ZIS) is a leading non-profit day school for 1,240 students aged 3 to 18 in the Greater Zurich area. Our school community is made up of 800 current families and more than 6,000 alumni who come from over 70 different countries. ZIS parents and alumni hold senior positions at many top corporations – in banking, retail goods, manufacturing, engineering and other industries – in Switzerland and around the world.

Our community award-winning magazine is distributed by ZIS to prospective parents, alumni, current parents, partner businesses and organizations, and supporters around the world. It reflects the school's mission of "learn, care, challenge, lead" and is the school's key communication tool.

The magazine is produced twice per year with copies sent to around 2,300 addresses within Switzerland, 900 in the USA, 270 in the UK and 600 in the rest of the world. The magazine is also sent electronically to members of our global alumni community. Copies are handed in person to visiting prospective parents and sent to relocation organizations, partner businesses and local organizations.

Recognized in the Council of Advancement of Education and Support of Education's Circle of Excellence awards in 2020, the magazine has newsstand values, creating a highly sought media environment for advertisers.

Voices have been very well received by the different stakeholders, and led to a significant number of new subscriptions. In a survey of readers:

89% of readers read most or all of the magazine

77% of readers said the magazine kept them connected to their ZIS experience

74% of readers said the content was relevant or very relevant to them

Offering compelling, thought-provoking and entertaining editorial comment, Voices carries articles from senior journalists and leading thinkers, and builds a strong and on-going relationship between readers and the school.
