

CHANGING LIVES STARTS HERE

YOUR SUPPORT IMPACTS EVERY CHILD
WHO WALKS THROUGH OUR DOORS

West End
Day School

**West End Day School may be small in size,
but our dedicated team makes a BIG impact
on every child who enters our doors.**

Our commitment to providing our Mission-centered programming and specialized counseling services to our students is *more* critical than ever before. Our dynamic, small-group academic program provides individualized care and attention that is essential for our students. Integrating this with our social-emotional approach helps cultivate strong relationships, which is central to our students' success. This collective, child-centered focus is what makes us *More Than A School*.

**When Families Walk Through Our Doors,
They Experience First-Hand the Unique
Impact of Our Program - Made Possible
Through Your Philanthropic Support.**

Your generosity enables us to further build upon our foundation of support and care, providing the best educational environment for us to understand, teach, and help our young learners reach their full potential. The day-to-day cost of the individualized education that WEDS provides cannot be covered by tuition alone, with the current gap amount at \$5,700 per student.

Together We Can Make a Difference.

Giving at any level sends a powerful message to our community that you support our Mission - and we are thankful for that. Our goal is for 100% community participation, so please show your support by making a gift that is meaningful to your family. Please note all gifts to West End Day School are tax-deductible to the full extent permitted by law.

If you have any questions regarding our Annual Fund, please contact our Director of Advancement, Dalton Richardson, at drichardson@westenddayschool.org or (212) 873-5708 ext. 307.

We have also enclosed a return gift envelope for your convenience.
