National FFA Convention

October 25-29th 23 students will be attending the 2022 National FFA Convention in Indianapolis, Indiana. Matthew Tini, Logan Sopelak, Henry Butler and Grace Sheldon, the 2022 Ag Mechanics CDE team will be competing at nationals. Oliver Kelsey will also be competing nationally in extemporaneous public speaking. Brooke Tillotson (class of 2019) will also be receiving her American degree this year as well. Good luck to our students and safe travels!

Friends, Family and Alumni

The Friends, Family and Alumni is an organization that is run by past and present Suffield Agriscience students, their parents and friends. Our alumni are able to support current members of the program with the money they raise through fundraisers. Student scholarships, awards, FFA jackets, food and drinks for events are a few things that the alumni group helps students with.

Their next meeting will be on November 7th from 6:30-8:00pm in 508A ag classroom. All are welcome to attend!
