# AVIATOR TIMES

The Monthly Newsletter of Innovations International Charter School

## Welcome to A New School Year

We are very excited to begin the new school year having the chance to interact with our families, students, and staff members. Please see the items below to help you get started.

### Car Lines

We will be using the car lines for student drop off and pick up again this year. Two car line tags will be issued to families. These will need to be shown to staff for both drop off and pick up times. Please keep these safe in your car for use. Like last year, staff members will greet you and your children at the cars and then release them to go into school. Parents, please do not drop your child off without a staff member assisting you. At the end of the day, students will remain with their teachers and be called to join you once you are in the car line. Do not come into the school to get them.

### Breakfasts and Lunches

Innovations is a CEP school. All students enrolled get a free breakfast and lunch daily. If your student remains for an after school program, he/she will also receive a free dinner daily as well. Your child may also bring his/her cold lunch to school if you wish. Some of our children prefer the lunches be packed at home. If you bring lunch to your child, we will ask that you leave it in the office and we will deliver it to your child for you.

## Dates to Remember

8/8	FIRST DAY OF SCHOOL
9/5	LABOR DAY NO SCHOOL
9/12	Q1 PROGRESS REPORTS SENT HOME
9/15	PARENT ENGAGEMENT NIGHT 6:00 P.M.
9/16	PROFESSIONAL DEVELOPMENT NO SCHOOL

# Accreditation

Innovations is a K-12 public charter school accredited by Cognia. Through our accreditation, Innovations is committed to enhancing leadership, developing and maintaining professional practices, and using newly developed curricular practices to enhance and accelerate learning for our students.

<b>Enrollment:</b>	875
<b>Accredited:</b>	Yes
<b>Initial Accreditation Date:</b>	2007-07-01

## Google Classrooms

Innovations will be using laptops for our Google Classrooms again this year. These may be used during the school day for activities, but will also be used for homework completion and submission.

You may use your own laptops or computers that you have at home for your child. If you need one for your family, please contact the school to see what can be done.

Please keep in mind that if you use a school laptop, you will be responsible for returning it in good working condition or be responsible to pay for the fixing or replacement of a broken device.

## School Uniform Shirts

Families may order and purchase the new school uniform shirts in the office for \$10.00.

These shirts are a steel grey with our new school logo. For those families who also have last year's baseball style shirts, for this year only, they may be worn as well.

Remember that the uniform bottoms are black or khaki pants or shorts. The bottoms MUST be plain in color - no stripes or designs can be worn.

Students out of dress code will be given a warning the first time with families contacted and reminded of the dress code policy. After the first warning, parents will need to bring the proper uniform top or bottom to school in order for their child to remain in school for the day.

If you have questions, please feel free to call the school. Thank you.
