

COVID testing site update:

Our COVID testing site will be closed from Friday 10/14- Tuesday 10/18 due to a staffing issue. Please see our updated calendar when the testing site will be open during Thanksgiving and Winter break. We continue to offer both antigen tests (results in 15 mins) or PCR-based testing (about 24-48 hours).

If you are looking for COVID testing at other locations, you can obtain a free COVID test:

- **Walgreens** has a COVID test called Rapid NAAT Test, which is PCR-based. Many families get these test results back within 12-24 hours. Multiple locations check their website. [Walgreens Website](#)
