

PCPS Happenings

PPS / PES

Poquoson Primary recently held their Book Fair and had a great turn out for their family event.

PPS students continue to learn ways to share about themselves in writing and playdoh! They share whether they are happy, excited, or nervous and find ways to express those emotions.

PPS is gearing up for National Bullying Awareness Month with an assembly and dress up days!

Both PPS and PES held assemblies about anti-bullying. Omegaman & Friends came to share how to have a positive mindset and how to be kind to others. It was a huge success among all students who thoroughly enjoyed it!

PES 5th graders experimented with states of matter using root beer floats! They also discussed mixtures and solutions- what a fun way to learn science!

PMS / PHS

Poquoson Middle School is back to fully-functioning! Their cafeteria is completely operational and students are enjoying their new space.

The PMS Dedication and Community Open House went very well with lots of people coming in to see the newly renovated building.

PMS Red Ribbon Week will be Oct 24-28th. Every day will have a theme, so keep an eye out for your newsletter!

Activity buses will now run for PMS and PHS. on Tuesdays and Thursdays at 3:30 (PHS) and 3:40 (PMS).

Homecoming week was a big success despite the nuisance flooding. Our students enjoyed the themed days and coming together for the Pep Rally where the Seniors took the Spirit Stick! Speaking of seniors- look out for information on your next senior special event!

Senior Trunk of Treat will be October 26th from 6-8pm for Seniors only, hosted by their class sponsors and parents.

District

PCPS has received their SOL data and it is found that we outperformed the state in the 2021-22 SOL testing data by 16.6% - Congrats to ALL of our students, staff, and families!

PCPS now offers device insurance through a partnership with "School Device Insurance." Check out more at our website under Technology Support.

Please ensure you have fully registered your returning student by submitting ALL forms in Parent Portal.

If you haven't already done so, please complete our 2023-24 Calendar Survey:
