3) Superintendent Report

Superintendent Josh Hurt

- The new school year is off to a smooth start. We are in a lot better spot than we were last year or the year before. This is starting year 3 for Mr. Hurt. So having a sense of some normalcy back is nice.
- Bus routes are up and going. We are in good shape there. We have had a couple of double routes.
- Mr. Hurt conducted several walkthroughs of each building. He is pleased with what he has seen so far. People are working, halls are quiet, and classrooms are active.
- For agenda item 5C, the salary schedule, there are no changes. This is basically to clean up some of the items on the salary schedule.
- For agenda item 5E, bids have come in for the high school roof project. Bids were lower than expected. We ask that you approve Eskola, LLC out of Nashville. We are pleased with the bid process for the roof.
- Mr. Hurt went to GRREC today for a meeting for superintendents.

Jamie Moss

- I have item 5B. Monroe County's Director of Special Education has contacted Mr. Moss to request hearing and vision services be provided to them by Mrs. Charlotte Roach.

Joseph Eaton

- 21st Century starts on Monday, Sept. 12.

Mr. Hurt: *On public record, I want everyone in the community to know how successful some of our kids are right now in so many different events: sports, drama, music, State Fair, academics. For a community this small, the success our kids are having is extraordinary thanks to the students, teachers, parents, and the community. The things that Metcalfe County students are doing are unbelievably impressive.*

Rachel Dial

- Mrs. Dial has enjoyed visiting the schools during the first week of school and seeing what’s going on inside the classrooms. Everyone is doing a great job. She wants to visit every classroom in the district.
