What is the purpose of the NPHS Athletic Boosters Club?

The Boosters support student-athletes and provide financial support to all North Point High School athletic teams. Proceeds made from concessions and other fundraisers allow the Boosters to provide teams/athletes equipment, uniforms, and scholarships. That being said, we REALLY need your help with concession participation throughout the *entire school year*.

How is the Boosters Club funded?

The Boosters Club is funded through membership dues, concession sales and fundraising activities.

Boosters Club Membership (2022-2023)

To get started, complete a Boosters Club membership form and submit payment. The dues are **only \$20 dollars** per family for lifetime membership. Please return the form to the main office or bring it to a Boosters Club Meeting on the 2nd Tuesday of each month.

2022 - 2023 North Point High School Athletic Boosters Club

Greetings North Point High School Parents and Student-Athletes:

On behalf of the North Point High School Athletic Boosters, welcome to an exciting time of academic and athletic success.

Who can join the Boosters Club?

Any adult wanting to serve! The Boosters Club consists of parents, family members, coaches, teachers, and others throughout the community who want to volunteer their time and talents. If you are interested in collaborating with people who volunteer their time to serve and support the student-athletes of this great school, then the Boosters Club is a great opportunity! All are welcome, no experience is necessary!

Boosters Club Meetings and Committees

The Boosters Club meetings are held on the 2nd Tuesday of every month at 6:30 PM in room 611 or on Zoom. As a member, you have a voice! These meetings afford you the opportunity to vote on the purchases (equipment, uniforms, bags, etc.) for the Athletes, Coaches and Teams each year.

The Athletic Boosters Club is looking forward to your partnership! We are always excited to have new thoughts, ideas and people that are dedicated to work on behalf of our student-athletes and to bring more success to the Athletic Program of North Point High School. Working together, we can make this a fun and memorable experience for our student-athletes!

We have lots of opportunities to serve on Boosters Committees. Each committee is led by a director who is a member of the NPHS Athletics Boosters Board of Directors. **Please email the Membership Committee at Membership.NPHSBoosters@gmail.com if you are interested in serving on one of the committees below.**

- **Membership Committee (Rhonda Carter, Director):** Assist at the Membership Table collecting applications and promoting the Boosters at various NPHS events.
- **Concessions Committee (Dana Alexander, Director):** Assist with picking up orders for Concessions, setting up concessions stands for home game days and assist with restocking/inventory of items in the concession stand.
- **Communications Committee (Elridge Proctor, Director):** Assist with the development of all Boosters Club newsletters, flyers, postings on social media platforms.
- **Fundraising Committee (James Proctor, Director):** Assist with planning, executing and researching new and existing fundraising events.
