

THE CHARTER SCHOOL AT WATERSTONE

Dear Parents or Guardians,

All educators in Florida are monitored to ensure they meet certification and training requirements as mandated by Florida Statute. According to Florida Statute 1012.42, we must notify parents of students who are being taught by out-of-field teachers.

A teacher is considered out-of-field until the coverage/endorsement for a class that he or she is teaching is issued by the State of Florida. Individuals, who are teaching out-of-field, are certified in at least one area and are qualified to teach, but are required to take additional course work or testing to add a certification coverage/endorsement to their certificate.

The following teachers have agreed to teach out-of-field while completing coursework and/or testing:

Teacher Name	Reason for Out of Field
Suzanne Kraziem	Elementary Education K - 6
Noe Longoria	Exceptional Student Education K - 12
Elyethe Fernandez	Elementary Education K - 6
Francis Martinez	Elementary Education K - 6
Lourdes Telena	Elementary Education K - 6

Please contact the school if you need further clarification.

Sincerely,

Kelli. L. Barrios
Principal
