Dear Head Coach and Head of PE.

BSME Swimming Championships 2023

Hosted by St Christopher's School, Bahrain and British International School, Abu Dhabi

We are pleased to inform you that the BSME Swimming Championships are back.

We would like to extend this invitation to all British Schools in the Middle East to participate in the BSME Swimming Championships to be held in MBZ Sports City, Abu Dhabi on Thursday 16 March 2023.

This will be a long course meet (50m) and there will be a total of 2 sessions morning and afternoon.

This event will have qualification times, which all participants must have achieved prior to the event deadline.

In order to cover the cost for hiring a facility, each school has to pay 500 AED participation fees.

Please make a note regarding the meet on your calendar today and ensure that the swimmers have a full range of events available to them by submitting your entries no later than Thursday 23 February 2023 midday (UAE time standards).

We look forward to welcoming all the swim teams.

Kind Regards,

Yavor Zahariev
