Attendance: Donna Farr, Lori B, Donna K, Beth A, Becky J, Alicia, kathleen, Dimi

OEC supply distribution of masks and test kits went well. Lori B picked up supplies and distributed to TLC, as well as home daycares. No news on masking policy in schools yet. Shared concern from participants regarding developmental delays associated with masking.

Bylaws: Donna f will gather sample bylaws and attempt to revamp PECC existing bylaws. Donna K may have the drive with current information. Kathleen has a copy of Bylaws from previous district.

Kindergarten transition/conversation will be the topic for PD on Feb 15 @ 6:00.

Preschool fair/literacy event: A lot of discussion around connecting families in the community to school. Ways for parents and children to ease into kindergarten. Early childhood teachers would like input from K teachers in town as to what kind of information they would like to receive on children entering K and the best way to share/collaborate. Fair or literacy event has been tabled.

OEC funding: accommodations have been made for centers that are not fully enrolled. Any concerns bring to Donna F.

SR Grant: No dates for application yet. Will need readers from the community to read applications. Looking for answers for RFP process and who oversees. In the past it was posted on the town website. Plymouth BOE is our fiscal agent whereas, PECC originally held the grant.

Parent involvement with SR: Seeking ways to encourage more parent involvement. Extending a personal invitation to parents who may want to get involved. Coffee hour? Walk and talk in the park?
