- Students entering Grade 9 must maintain a weighted GPA of 3.6 (on a 4.0 scale) or higher.

Merit Scholarship Financial Benefits

The Merit Scholarship will cover 50% of tuition as long as the recipient continues to meet the eligibility requirements for the scholarship. This scholarship does not cover any additional required fees or expenses, including, but not limited to: application fee, building fees, Tuition Refund Plan (TRP), digital textbook fees, or school uniforms costs.

Recipients of the Merit Scholarship award are eligible to apply for Financial Aid and receive aid awards in addition to the scholarship based on individual need. As with all scholarship and financial aid programs, St. Johns Country Day School reserves the right to modify the terms and conditions of this scholarship program including termination.

Selection Process

All completed applications will be reviewed by the St. Johns Country Day School Merit Scholarship Selection Committee and selected applicants will participate in a panel interview with members of the Selection Committee. St. Johns admits qualified applicants without regard to gender, race, color, national or ethnic origin and grants to all the rights, privileges, programs, and activities generally accorded or made available to students of the school.

The number of students who will receive a merit scholarship will be limited to no more than four students entering Grade 7 and four students entering Grade 9. If more than four students meet the criteria for either Grade 7 or Grade 9, St. Johns will award the merit scholarships to the four students in each grade earning the highest combined stanine scores on the ISEE.
