

# FALL Objectives for Juniors

- 
- The background of the slide features a close-up photograph of autumn leaves in shades of orange, yellow, and brown. Overlaid on the right side of the image are several overlapping, semi-transparent green geometric shapes, primarily triangles and polygons, creating a modern, abstract design. The left side of the slide is a solid white area where the text is located.

# Research Colleges Under the College Tab

The screenshot displays the Naviance website interface. At the top, a dark navigation bar includes the Naviance logo, a menu with 'Home', 'Self-Discovery', 'Courses', 'Careers', 'Colleges' (highlighted in blue), and 'Planner', along with user icons and a 'LOG OUT' button. Below this, the 'Colleges' section features the Sam Houston State University logo, name, location, and website. A row of buttons for 'Virtual Tour', 'Communicate', 'Apply Online', and 'Learn More' is present. A horizontal subtab bar below the buttons contains 'Overview', 'Studies', 'Student Life', 'Admissions', and 'Costs'. A large red arrow points to the 'Costs' subtab. The main content area shows three video thumbnails: the first with the SHSU logo and clock tower, the second of a campus path, and the third of students walking. At the bottom, a search bar is labeled 'Search by College Name', and a progress bar shows '3 THINKING ABOUT', '6 APPLYING TO', and 'MORE :'. A 'Show Me How' icon is in the bottom right corner.
