# FISD Employees can get \$2,100 FREE for a home's closing cost

As a Homes for Heroes affiliate, I am able to provide an average of 0.7% percent of the home's purchase price back to the Hero when they **Buy or Sell** a home. That's an average savings of \$700 of every \$100,000 of the purchase price when they go through the program.

**Example:** A \$300K purchase, the average savings is \$2,100 of the purchase price. FREE money for their closing cost or money back in their pocket. **It's FREE** and the discounts are exclusive for FISD employees. Call me for more information.
