

De Pere 4K Book Drive

De Pere 4K is establishing a 4K Library that will enable our students to check out books each week to read at home with their families. Please help us build our library by donating money or dropping off a new/used book in one of our collection bins.

*Books should be:

- New or Gently Used
- High Quality (examples can be found here)
- Hardcover Preferred

Donations can be dropped off at any 4K site or Elementary/Intermediate school office until Friday, 11/4.

Checks can be made out to the Unified School District of De Pere (memo: 4K library).
