- **Popcorn Fridays** - Exciting for the kids to see their parents volunteering to make and deliver popcorn. We have enough volunteers at this time, but it is good to have extras as back up.
- **Parent volunteer** meetings coming up in October. All parents that want to volunteer in the classroom during school time must attend.
- **Bingo Night** is our first activity. Waiting on Tiffany to get back to us to schedule a day.
- **Christmas Store** - still a while away, but good to start planning/purchasing items now.
- **Fundraising Goals** - Our main goals are to purchase a Reader Board for the front of the school and a Playground for the grade 3-5 side of the playground. Planning on applying for a grant from BNSF.
- **Business Donations** - Amelia is working on a plan with different levels of donations. Different levels of donations earn different levels of recognition. (Their names on T-shirt, reader board, plaque, etc.)
