

What is a School-Parent Compact?

A School-Parent Compact for Achievement is a written agreement describing how all members of a school community (parents, staff, and students) agree to work together to make sure all students reach or exceed grade-level standards. This compact helps bridge the learning connection between school and home.

Effective Compacts:

- Link to goals of the school improvement plan.
- Focus on student learning skills.
- Describe how teachers will help students develop those skills using high-quality instruction.
- Share strategies parents can use at home.
- Explain how teachers and parents will communicate about student progress.
- Describe opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

- The TCES compact was developed by parents, students, and teachers with input collected at school PAC Meetings, school surveys, and in-person comments.
- The School-Parent Compact is updated every year to include parent, student and staff input. Parent, student and staff comments are welcome at any time during the year. Parents have at least two opportunities to provide input for compact revision. At least one opportunity is in-person.
