SITE PLAN

PROJECT DATA

- This is a 677 student school with grades from Pre-K through Eight.
- The size of the school will be increased from 44,000 square feet to 86,000 square feet, with three classrooms per grade.
- The aesthetics of the school are modeled after Carrington Elementary School.
- This school will have a main entrance with a secure vestibule for visitor access.
- Like Carrington, this school is situated at the top of a hill; retaining walls and grading will allow for approximately 80 parking spaces.
