BROWN: Discussion? All in favor, opposed, abstain. Motion carries.

6. PUBLIC ADDRESSES THE BOARD

There were no public speakers.

9. EXECUTIVE SESSION

Upon a motion by Commissioner Jason Van Stone and duly seconded by Commissioner Harvey, it was voted unanimously to convene into executive session at 6:31 p.m. for discussion concerning the appointment, employment, performance, evaluation, health, or dismissal of a public officer or employee.

BROWN: Discussion? All in favor? Motion carries.

PRESENT: President Brown, Commissioners Harvey, Hernandez, Serrano-Adorno, Stango, and Jason Van Stone. Also present was Dr. Ruffin.

Upon a motion by Commissioner Jason Van Stone and duly seconded by Commissioner Harvey, it was voted unanimously to return to the regular order of business at 6:45 p.m. with no votes taken.

BROWN: Discussion? All in favor? Motion carries. Thank you. Next on the Agenda is the Superintendent's Announcements.

7. SUPERINTENDENT'S ANNOUNCEMENTS

SUPERINTENDENT: Thank you. We have several announcements tonight but I believe one of the ones would be presented by the Personnel Committee and I will explain as Commissioner Stango moves forward.

BROWN: Commissioner Stango.

J. VAN STONE: Just for clarification, this is Item 10.1?

BROWN: Yes, I'm sorry, yes.

10. COMMITTEE ON SCHOOL PERSONNEL

- 10.1 Upon a motion by Commissioner Stango and duly seconded by Commissioner Harvey, it was voted, by roll call vote, to approve the appointment of Michael J. Merati as Career and Technical Education Supervisor effective immediately.**

BROWN: Discussion? Dr. Ruffin.

SUPERINTENDENT: Thank you Commissioner. At this time it is my recommendation that Mr. Merati is selected as the Supervisor of Career and Technical Education. He comes to us with lots of experience working in career and technical education in the curriculum department as well as he's taken a lead there, he's very knowledgeable about career pathways and opportunities for students to grow in college and career ready classes. He has experience and successful experience in being able to tie in the industry and to tie in internships and opportunities for students as well as preparing our teachers to teach in the field of career and technical education. Before any further comments I would like to call on Mr. Schwartz. Mr. Schwartz is our Chief Academic Officer, he will explain more about those choices upon which we made that decision and Mr. Schwartz is the Supervisor of the supervisors of curriculum and instruction.

SCHWARTZ: Good evening Board. I am extremely pleased to introduce to you Mike Merati. He comes not only number one throughout all rounds of the interview process but with a stellar resume earning his Bachelors Degree at Methodist University, Masters Degree in Secondary Education from the University of Bridgeport, an Educational Technology Certificate from Sacred Heart University, and a 6th year Degree in Administration from Sacred Heart as well. Most recently he's held several positions in the area of CTE but specifically from 2017 he has led Shelton Public Schools as the Curriculum Leader for Career and Technical Education. He is just a pleasure to meet, he has so many great ideas, he's already becoming well entrenched in what Waterbury has to offer its students and coming up with ways we can strengthen our program. He's already familiar with Waterbury Career Academy, MASC, and working with the Northwest Regional Workforce Investment Board and utilizing their information to leverage our programs to be the leader in Connecticut. So I am extremely pleased that Mike is coming on board and we can't wait to welcome him.

BROWN: Thank you. Roll call vote please.

ROLL CALL VOTE:

Yeas: Commissioners Harvey, Hernandez, Serrano-Adorno,
Stango, Jason Van Stone, and President Brown.

BROWN: Motion carries. Welcome.

(applause)

MERATI: Dr. Ruffin, Board of Education members. I just want to say thank you to yourselves for electing me to appoint me to the position to the selection committee as I went through the interview process. I'm very excited to be here. I have a huge passion for CTE that's only grown as I've gone through my career and I saw the position

available and I know that there's a large opportunity available to really connect our students to get them college, career, and life ready, close the skills gap and get them ready on a career pathway, earlier the better, in order to become successful and keep our students in Waterbury . . . so that's my overarching goal, hit the ground running, and I'm looking forward to the journey and I'm very excited to start.

(applause)

SUPERINTENDENT: Thank you, and thank you Commissioners. I'd also like to announce this evening that the Director for Communications has been selected. Her name is Sujata Wycoff. Sujata will be with us officially in October and I will introduce her to everyone at that point. We believe that she will begin around October 15 but she comes with a vast experience as a journalist as well as an anchor for NBC news. She has experience also as a teacher, she's a former science teacher. What has been very inspiring is her ability to connect the marketing as well as public relations and communication skills, her journalistic skills and her ability to be able to think forward and to bring forward the image that we want and need for Waterbury Public Schools. She's very proactive, she has a very sophisticated presence and I believe she will be a wonderful spokesperson for the district and I look forward to having her by my side 24/7 just about as we have exciting news for the district. I believe that she is also very well poised to be able to establish some public media presence for us as well as the social media field and very definitely in the written communications that we put out for our students as well as our staff and the images that we want to portray with all the great things that are happening in our school district. So I look forward to officially welcoming her in person in October but I just wanted to announce publically that that is going to be our Director of Communications for Waterbury Public Schools.

A few other announcements that I would like to share. There was a very well attended open house for Youth Build. I know Commissioner Awwad has worked very hard for that. There are ten students, ten young people ages 16 to 24 that were accepted into the Youth Build Program and the grand opening was last week and it was held in downtown at their downtown location and we had a wonderful opportunity to meet some of the students and to be introduced to many of the contributors that have made certain that this was available for the youth in Waterbury. The students were ready to begin, they're going to be building two houses, they are going to be establishing those houses in a lower-income area within Waterbury for our residents but very interestingly they're going to be learning the trades of carpentry, plumbing, and all of the skills and tools that will help them to be successful as they continue employment once they earn their GED and continued employment in a field that they choose. So we're very pleased that that had occurred.

Additionally I had an opportunity the last couple of days to spend some time with Christian Milian former student of our at Kennedy High School who is now attending Yale University in his junior year. I was on the air with him along with Cindy Vitone and the PAL executive director Mara Ford as Christian talked about his college planner. WATR radio was instrumental in inviting us to talk with them and Christian did an outstanding job talking about the college planner. It's actually been created for students by students. It is a powerful tool where youth can learn where scholarship opportunities are available for them and especially for students that might be of a lower socioeconomic status to learn some of the opportunities that could tie them in to the

college of their choice with little or no financial obligations afterwards. I think that that tool is going to be very beneficial to all of our students because it also allows the ease of access, it's very easy to use and it provides information whereby students will have some advance experiences by going to visit colleges and universities and maybe explore some opportunities that they never thought were going to be possible. Christian has also said that he is willing to come back. I asked him if he would so we can work with some of the, the Superintendent's Student Advisory that will be starting up next month. He is interested in coming back and perhaps going into schools with me and having some dialogue with students because I do believe that students learn a lot from each other and I think he can certainly inspire them because his story inspires me as well.

That concludes the announcements that I have for this evening. It certainly doesn't explain everything that's been happening that's wonderful in the school district which is another reason I'm happy that our Director of Communications will be here shortly but there are some great things happening in our schools, there's some great things happening in our Physics class over at Wilby High School and some of the students that just won third place in an activity that they prepared for at UConn in a car race and I believe that more exciting things are yet to come and I look forward to sharing that with you as time goes on.

BROWN: Great, thank you. Any questions for Superintendent? Seeing none.

8. PRESIDENT'S COMMENTS

BROWN: My only comment tonight is to send our deepest condolences to Commissioner Ann Sweeney whose Mom passed away this week. Please keep her in our prayers this evening. Thank you.

Next is the Consent Calendar. Would anybody like anything removed from the Consent Calendar?

President Brown proceeded to read the Consent Calendar, items 11.1 through 11.8.

11. CONSENT CALENDAR

Upon a motion by Commissioner Serrano-Adorno and duly seconded by Commissioner Harvey, it was voted unanimously to approve the Consent Calendar, items 11.1 through 11.8, as listed:

- 11.1 The Committee of the Whole recommends approval of a Student Intern Affiliation Agreement with Post University, Inc., for a three year period and at no cost, for psychology student internships.
- 11.2 The Committee of the Whole recommends approval of a Student Intern Affiliation Agreement with Capella University, for a three year period and at no cost, to provide school counseling student internships.
- 11.3 The Committee of the Whole recommends approval of an Agreement with Southern Connecticut State University (SCSU), for a five year period and at no cost, for Type C Tuition and Fee Waiver for qualified high school students.

- 11.4 The Committee on Finance recommends approval of the submittal of the Connecticut State Department of Education 2019-2020 Carl D. Perkins Grant application.
- 11.5 The Committee on Finance recommends approval of a Professional Services Agreement with Dave Leeper Consulting, LLC, for a five (5) year period, to provide Cisco Network Engineering Services to the Department of Education.
- 11.6 The Committee on Finance recommends approval of a Professional Services Agreement with Utility Communications, Inc. for a four (4) year period to provide S2 Service and Maintenance Support for the Department of Education.
